\$2.00 PER YEAR

Arlington War Bond Quota Set at \$53,000

Arlington Minute Men start Monday

Final instruction meeting Sunday for five towns

The big push to enlist America's dollars in a victory offensive is under way here in Arlington Heights, as it is in the whole United States. A meeting Sunday afternoon at three o'clock in the park field house of all committee members and other workers will complete organization efforts which are now being made.

Mr. Eugene W. Kaspar, Deputy Administrator, representing the United States Treasury in the War Savings Bond and Stamp drive in this area, will address Sunday's meeting. Committee members and field workers from Palatine, Mt. Prospect and Prospect Heights will join those from Arlington Heights in attending. Any other persons interested in hearing details of our government's gigantic program for recruiting dollars will be welcome at the meeting. Mr. Kaspar, a dollar-a-year man giving without limit of his time and energy for the duration of the war, is fully in touch with the plans of the treasury department for financing the world's greatest armament program.

The Arlington Heights general committee for the sale of bonds and stamps had its initial meeting last Thursday night at the village hall. Mr. Nicholas Lattorf is chairman. Mrs. G. Rex Volz is co-chairman, and Mrs. Geo. N. Tuttle, secretary. An executive committee has been set up which consists of Mr. A. H. Franzen, Mr. Homer J. Byrd, Mayor Albert Goedke, Mr. N. M. Lattorf, and Mrs. G. Rex Volz. The organization operates directly under the treasury department. Thursday's meeting was conducted by Mr. Franzen and addressed by Mr. Kaspar. Subcommittees announced there are appended below:

Banking and Finance

*A. H. Franzen

Complete school vaccination program

602 Arlington children now protected

The smallpox vaccination program which was sponsored by the Board of Health in cooperation with the Arlington Heights Health committee and Board of Education, has been completed in the schools.

Arlington Heights should be glad to hear that a total of 602 children were vaccinated against smallpox in this school program. Of this number 34 were pre-school children; 408 were in the elementary schools, and 160 in the high school.

All who were vaccinated will be checked on the following days by the physician who vaccinated that particular school.

On Thursday of this week, Dr. Schon will read his vaccinations at St. Peter's school at 1:15 p. m. Dr. Meisenheimer will read vaccinations at the north school Friday morning at 9 a. m. and Friday at 1:15 p. m. Dr. Best will check vaccinations at the south school.

All pre-school children who were vaccinated at the Health Center are asked to return to the health center Friday morning at 9 a. m. to be checked by Dr. Schimmel and to receive their certificates of vaccination.

High school students will be read by Dr. Elfeld on Monday morning at 9 a. m. and on Tuesday at 9 a. m. Dr. Reid will check vaccinations at St. James school. After the doctor's readings, all children who have been successfully vaccinated will receive detailed certificates from the board of health of Arlington Heights.

Many thanks should be extended to the following ladies who kindly gave their services in assisting the local doctors—Mrs. Paul Carroll, Mrs. Ford, Mrs. Cubley, Mrs. Fitzpatrick, Mrs. Peroutka, and Mrs. Rizzio.

Ask receiver for delinquent tax property

The village of Mt. Prospect, at the recommendation of the delinquent tax committee passed a resolution at its May meeting Tuesday evening requiring legal proceedings to be instituted with the cooperation of the states attorney to have a receiver appointed for all business and income-producing properties which are tax delinquent.

Due to red tape that would be necessary in direct foreclosure proceedings, as was originally suggested, this new method of forcing payment of delinquent taxes on improved property will be attempted. It is the suggestion of the committee that one receiver be appointed for all of tax delinquent property within the village. He will manage such properties, devoting all net revenues to payment of the taxes.

Storms have no terror to members of Troop No. 3

Boy Scout Troop No. 7 sponsored by the Kiwanis club of Arlington Heights camped at Camp Dan Beard over the week-end under the able direction of Mr. Miles and scoutmaster Elmer Thorsen.

They proved what good trouper boys are; only two out of twenty boys left their tents in a severe storm.

In their spare time they climbed about 150 trees at the camp.

"Let's Keep Them Camping."

Walnuts explode, cause fire

The Palatine fire department was called to the August Langhoff dairy on Rohlfing rd. Tuesday morning where sparks had set the roof on fire.

The fire was caused apparently by the explosion of some walnuts which Mrs. Langhoff had thrown into the furnace, causing an explosion which sent the sparks flying over the roof and blowing open the furnace door and burning Mrs. Langhoff's face and singeing her hair.

The explosion was evidently caused by the oil in the nuts forming some sort of gas which caused the explosion.

A few shingles which caught fire were quickly extinguished upon the arrival of the firemen.

Sign Your Pledge

Uncle Sam, in this War effort, must know from every production plant just how many guns, tanks, planes and ships he can expect to receive within the next few months so that he can lay his battle plans accordingly.

By the same token he must know from the people of the nation just how many dollars he can expect to receive voluntarily in the purchase of U. S. Savings Bonds, so that he can lay his tax plans accordingly, to pay for the War cost. The more dollars voluntarily pledged for the purchase of bonds, the less will be the tax load.

With this in mind, the Treasury Department is conducting a nation-wide inventory by states wherein every income earner is being asked to sign a Pledge indicating how much he will lend from that income to buy Savings Bonds.

The date for this pledge campaign in Illinois is May 11, 12 and 13.

This community is a local sector of the state and nation-wide battle front. The voluntary workers in the campaign are civilian soldiers, modern "Minute Men," serving without pay, without glory or thanks, and are surely fighting a battle for freedom as the soldiers on the battle fronts. They are conducting a campaign which we as a nation cannot afford to lose. Their only weapon is a Pledge Card and a cheery word.

They will offer every income earner the privilege and opportunity to pledge an investment in the safest risk in the world, the United States Government.

Every person who is financially able should support this Pledge Campaign to his or her utmost financial ability. The Pledge is entirely voluntary on your part, but upon the success of this campaign will depend the freedom of America, for without the tanks and guns and supplies to be purchased by your investment, your Pledge, we cannot win this war.

So join willingly, cheerfully, in this mobilization of American dollars, so that America will continue to be free. Sign the Pledge and do YOUR share.

Lutherans pledge \$500,000 for servicemen

Mother's day five thousand Lutheran churches of the Missouri Synod will gather a fund of \$500,000.00 to keep the church with their men in the armed services.

This offering will be used to provide chaplains and pastors at the various camps and on board ship, the maintenance of service centers, the publication of prayer books, and other literature for the men, and many other services essential for the encouragement of Christian fighters in this crisis of their lives.

The local Lutheran church has joined heartily in this effort. Its membership will strive to contribute a thousand dollars as its share. Their interest is personal for 40 of their own men are now active in the armed forces on the land, sea and in the air.

While honoring Christian motherhood on the Sunday morning services, the congregation will pledge their loyalty to the sons of mothers away from home and church. Pastor Fricke's sermon will emphasize the church's duty toward

Victory Garden movie to be shown Wednesday

A very fine program on "Insect and Disease Control in the Garden" has been arranged by the Arlington Garden Club for their next meeting Wednesday evening in the Northside school at 8 p. m.

Members of the various Garden clubs of surrounding communities, pupils of the local high school, interested friends in the village and pupils of the 6, 7, and 8th grades if accompanied by their parents are all cordially invited.

The film called "Combat" has been secured through the efforts of Mr. G. K. Haycock, a member of the local Garden Club and Dr. J. D. Cousins, program chairman. It deals with methods of insect and disease control, and is in courtesy of the General Chemical Company, and comes from Rochester, Minn., at a heavy cost to display. The film was two years in the making and took one year to edit. It took about 15,000 miles of travel all over the country in connection with its preparation.

It has been shown as an educational feature in many colleges and universities, and viewed many times by scientists and professors. Dr. J. F. Ponder, technical director of the Permalawn Products Company of Evanston, an expert on soils, insects and disease control will give a short talk preceding the showing of the film.

This program comes at an appropriate time, when the public is busy planting victory gardens, as stressed by the government as an aid in production for home consumption.

Mr. Walter Lane, president of the local Garden Club, urges all who need knowledge on the subject of insect control in gardens to attend this meeting.

There is no charge for the program and the public is cordially invited.

her sons in military service. A committee of the Walther League is sewing a large silk service flag, designed by Mr. Bathie. If completed in time this flag will be dedicated in a beautiful ritual during the Mother's day worship.

Building permits total \$726,130 for fiscal year

Building operations in Arlington Heights during the past municipal fiscal year totaled nearly three quarters of a million dollars according to the report of Paul Taegle, building commissioner made Monday evening. The permit receipts for the year were \$1,708,500. The commissioner's fees were \$443.

Building permits for two homes issued during April were for \$13,000. In addition there were permits for \$1,050 for garages and \$490 for alterations. The monthly totals are:

May	44,300
June	80,300
July	41,900
August	67,900
September	192,900
October	38,750
November	2,200
December	18,550
January	19,100
February	190,000
March	15,300
April	14,530

Tag day for old people Monday

Thousands of needy old people in charitable institutions throughout the state will be the beneficiaries of the statewide tag day Monday, May 11. This project is being sponsored by all the homes for the aged in Illinois and has the endorsement of state and county officials. Our Arlington Heights village board has also kindly permitted taggers to solicit donations in our community.

Mrs. Herbert Luerssen has charge of the local group of taggers. She will be assisted by Mrs. Otto Koehnke, Mrs. Peter Swan, Mrs. Edward Grim, Mrs. Gustav Schaefer, Mrs. Henry Schroeder, Mrs. Wilbert Hartmann, Mrs. Geo. Deiber, Phyllis Nagel, and Barbara Burns. Taggers are to be stationed at the intersection of Dunton and Campbell and at the railroad depot.

These workers are confident that the good neighbors of Arlington Heights will have a heart for old men and women, who are dependent on the love of their fellowmen in the evening of life. This worthy endeavor appropriately follows Mothers Day and offers a practical way of expressing our affection for our own mothers by deeds of kindness toward other aged mothers and fathers who need a helping hand on the last stretch of the way.

The generous impulses of Arlington Heights will be revealed again on Tag Day in a large offering for the care of feeble, needy old folks. Every resident in the city of good neighbors will be proud to accept a badge as a token of his contribution.

Mayor Goedke reappoints city employees

Salary increases total \$170 per month

Mayor Goedke reappointed all village officers and employees and the board of trustees approved the appointments at Monday night's session of Arlington Heights village board. With the resignation of Fred Lorenzen, William F. Meyer was advanced to treasurer and collector and the assistant position was left vacant.

Forrest Davis, village clerk, assumed full time duties May first and the work in the municipal office will be divided between Mr. Meyer and Mr. Davis.

Salary advancements total \$170 a month, being divided as follows: R. Becker \$15; \$10 each to Wm. Luehring (\$175), Frank Gieseke, (\$150), George Harris (\$175), and Wm. F. Meyer, Jr. (\$195); \$5 to Wm. Bauer, John Firnbach and Wm. Windheim (\$135). The salaries of police, \$185 for chief and \$160 for patrolmen were not changed.

Officers and employees who are on a fee basis are attorney, engineer, health officer and building commissioner.

In making his appointments for the Board of Health, Mayor Goedke stated that the health advisory committee had given its approval to the reappointment of present board. Originally it was planned to place a woman member on the board this spring. "Due to the present emergency," Mr. Goedke stated, "I asked that the board of health hold over for another year under its present setup which will automatically advance the term one year of each member."

Mayor Goedke prefaced his appointments with a statement that the village machinery is operating so smoothly he was reluctant to make any changes. The committee chairmen are:

Finance—Studtmann, chr.

Judiciary—Studtmann, chr.

Police and License—Rizzi, chr.

Streets, Sidewalks and Lighting—Adam, chr., Studtmann.

Public Works, Fire, Buildings—Griffith, chr., Kehe.

Sewers, Drainage and Sanitation—Frankie, chr., Griffith.

Water and Water Works—Kehe chr., Rizzi.

President, Albert Goedke, an additional and ex-officio member of each committee.

Henry C. W. Meyer was appointed to the Zoning board of appeals for a five year term, expiring in 1947.

Paul Incomparo was reappointed as custodian of the village dump.

Arlington Heights Herald was by resolution made the official newspaper for the coming year.

Several of the municipal departments presented yearly reports which were placed on file.

The operation of the sewage treatment plant during the year cost 48c per inhabitant, the costs being materials, \$292.70, electric power \$680.70, labor \$179, salary \$1,950, totaling \$3,102, less \$500 yearly payment by Arlington Jockey Club.

Cases of communicable diseases during April numbered only three. Two were scarlet fever and one measles.

Building commissioner reported issuance of 71 sign permits and that it might be necessary to have other permits unless owners pay promptly.

The village has had \$50 on deposit for some time waiting for weather conditions to improve the road to Sherwood from the North-west highway. The street department will now make the improvement.

A complete inventory for equipment at treatment plant was ordered filed.

A letter of thanks will be sent to Louis Smith for repairing village flag at no cost.

Merle Guild post of the American Legion was granted permission to hold its annual carnival on Douglas ave. in place of the downtown district July 16, 17, 18, 19.

Fire department made no charge for two of the three fires that occurred in one evening, recently. The fourth fire was outside the jurisdiction of the village.

Hrdlicka turns 'em away

Hrdlicka's restaurant in its new location on Dunton at Davis st. turned 'em away last Sunday. The number of patrons so exceeded expectations that supplies were exhausted. "We will be prepared this Sunday," states Anna and Edward Hrdlicka. "If you were one of those who were not served last Sunday, come again."

Explanation of War Fund drive

While Minute Men are going to conduct this pledge campaign with no high pressure methods, everyone receiving or capable of earning an income, will be asked to pledge at least 10 per cent to the purchase of war savings bonds and stamps.

Explanation of Drive
The state war savings staff issued a questionnaire designed to clarify the details of the drive. Some of the questions and explanatory answers were:

Q.—What is the national war savings pledge? A.—It is a promise to the government to give the government a regular portion of earnings or income through regular purchase of war savings bonds and stamps.

Q.—Should you sign if you are already under a "pay-roll savings plan"? A.—Yes. This is not an additional pledge. It is simply a confirmation. Thus you will go on record as showing the government what you are doing now.

Q.—Why should every person of regular income sign a pledge for the systematic purchase of war savings bonds? A.—Because in a war it is important that every citizen take an active part in the war effort—not only by buying bonds and stamps but by pledging to do so regularly. This will help the government to gauge its potential man and armament power.

Q.—How long will this pledge be in effect? A.—For the duration of the war or until the pledger is no longer financially able to keep it.

Q.—Is the pledge confidential? A.—Absolutely.

Q.—Is the pledge voluntary? A.—Yes.

Arlington gets that new flag

The V. F. W. ladies auxiliary last week presented to Mayor Goedke a new American flag for use on the Arlington Heights flag pole. The present flag of the tattered and torn variety and the Auxiliary was quick to see the necessity of a new one. In presenting the flag to the village, the Auxiliary spoke of their appreciation of the use of the council room for their meetings.

Cooking school opens Monday

Appointments

Village attorney—Hugo J. Thal.
Village Engineer—Arthur W. Consoer.

Health Officer—A. C. Wilcox.

Chief of the Fire Department—Richard H. Jahn.

Chief Engineering of the Fire Department—Wm. W. Luehring.

Building Commissioner—Paul C. Taegle.

SPECIAL POLICE

Richard F. Wilke, Henry C. Malzahn, Oscar Johnson, Harold Hastings, Alfred Haenker, Henry F. Martens, Edward Heinloth, Gustav Pelletier, Ralph Stippick.

Willard T. Loeber, J. M. Sommer, Benj. Van Gorder, Almon M. Conger, Edwin Guenther, Francis K. Wilton, Stephen Kinder, Rev. John M. Kempf, Clifford M. Shaffer.

Thousands of bees killed by spraying

Paddock Publications have been asked to warn owners of fruit trees that indiscriminate spraying during the flowering season is killing thousands of bees. Without bees there will be no fruit from those blossoms.

One bee owner reports that vast numbers of his bees are dead from arsenate of lead poisoning.

Means nearly \$10 a person in Arlington

Banks unite to promote publicity campaign

With the announced monthly quota of \$53,000 for the people of Arlington Heights, there can be no longer any doubt in the minds of its citizens that Uncle Sam means business in the present war fund drive. The above quota means approximately \$10 for each man, woman and child within the municipality. That quota is for every month.

That is a lot of money, but it is an open secret that if the public does not buy governmental securities willingly, taxes will be levied that will take it away from them.

Seven of the banks of northwest Cook county and northern Du Page are assisting in the publicity campaign that will acquaint the general public with the seriousness of this drive by sponsoring an official announcement of War Savings Staff of Illinois that appears on page eight of this paper. "O. K. with pleasure," were the words of the president of one of the banks when he was acquainted of the publicity plan. "Glad of the opportunity," were the words of another. All of the banks welcomed the chance of assisting in this publicity service for such an important cause.

Their cooperation makes possible the extensive news coverage of the war bond drive in the several communities served by Paddock Publications. The banks who cooperated are Arlington Heights National Bank, Mt. Prospect State Bank, First National Bank of Des Plaines, Wheeling State Bank, Itasca State Bank, Roselle State Bank and Bartlett State Bank.

BARBER DIES

Leo Scoffo, Evergreen street barber, died Wednesday afternoon as he was being taken to a Chicago hospital by Arthur Lauterburg.

New prizes added: movie attractions are announced

A large attendance is expected at the opening session of the Arlington Heights Cooking School, the first session of which will be held Monday, May 11. Additional sessions will be held Thursday and Friday, May 14 and 15. Many homemakers have expressed keen interest in the affair. Those who plan to attend are urged to be at the theater early.

These schools are to begin at 1:30 o'clock preceding a movie matinee. They are under the personal supervision of Miss Esther Branch, popular field representative of the Spry Kitchen, Cambridge, Massachusetts. Miss Branch, college graduate in Home Economics, lectures on latest cookery ideas as she prepares a variety of tasty and attractive dishes right on the stage.

Through the cooperation of local merchants, a long list of valuable gifts is to be given away at each session. Two grand prizes are to be awarded at the final school. They are a fine cedar chest from Studtmann Furniture Co. and a pull-up chair from Arlington Upholstery. Additional prizes have been offered by other merchants since the publication of the prizes in last week's Herald. The prizes make an imposing display in the lobby of Arlington Theatre.

The theatre management is adding

Saturday, May 16, Children's chorus will meet for its first rehearsal in Church Assembly rooms at 2:30 p. m. All children between the ages of 5 to 14 years are eligible.

CHRISTIAN SCIENCE CHURCHES
"Everlasting Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 3.
The Golden Text was, "The Lord is known by the judgment which he executeth: the wicked is snared in the work of his own hands" (Psalms 9:16).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man: But every man is tempted, when he is drawn away of his own lust, and enticed" (James 1:13, 14).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christian Science commands man to master the propensities,—to hold hatred in abeyance with kindness, to conquer lust with chastity, revenge with charity, and to overcome deceit with honesty. The good man finally can overcome his fear of sin. Immortal man demonstrates the government of God, good, in which is no power to sin" (p. 405).

Sunday, 7:00, 8:30, 10:00, 11:30.
Confession heard every Saturday from 4 to 5:30 p. m., 7:30 to 9 p. m.
Confessions are heard from 4 to 5:30 and from 7:30 to 9 every first Friday of the month and the Saturday, Thursday before the day before Holydays of Obligation.
Masses on Sunday are at 7:00, 8:30, 10:00 and 11:30; on Holydays of Obligation at 5:45, 7:15 and 9:00; on week days at 8:00 a. m.
Holy Communion will be distributed at all masses, also on the first Friday of each month at 6:00 and 7:00 a. m.
Devotions to Our Lady of Perpetual

Director of church war relief speaks at St. Johns
David Baker, executive secretary of the War Relief committee of the Evangelical and Reformed churches, is speaking in a special service at the St. John's church in Arlington Heights Sunday evening at 7:45.
Dr. Baker is one of the brilliant speakers of our denomination.
You will enjoy hearing him as he presents a vivid picture of the various types of war sufferers; Prisoners of War, Refugees, in China, France, Greece, Yugoslavia, the Ukraine, Spain, or California among the American Japanese; orphaned missions; men in the armed service.
All of us want to be informed. A most cordial invitation to this Sunday evening service is extended to everyone in this community.

Consumer bureau has pamphlet on nutrition
Information in bulletin and pamphlet form is now available at the Consumer's Information Bureau table in the Public Library according to Mrs. Robert Dibble and Mrs. Jack Monroe, co-chairmen of the bureau. Books and further material is being secured as rapidly as possible.
Bulletins displayed include those on the use of dried beans, peas, fruits, green vegetables and eggs in low cost meals. "A Through Highway to Good Nutrition," by Betty Crocker, is especially recommended by the chairman. Other bulletins describe the normal diet with food value charts, school lunch preparation, meats in the menu and fabrics and designs for children's clothes.
"A plan for Estimating the Year's Food Needs," and "Meal Planning on a Limited Budget" are bulletins that have an especial appeal at this time.

Defense rifle range opened
Members of the Rifle Service of the Arlington Heights C.D.C., after making a trip each week to Des Plaines for practice throughout the winter, now have their own rifle range. Located east of town at the south edge of the village dump the range is thoroughly safe and satisfactory, according to chairman Joseph Wisersky.
Chairman Wisersky announced that he wishes all members to be present next Wednesday, May 12, for practice and for an important meeting which will follow.
The new range is not to be used except under supervision and is not open to the public. The supervisor of the village dump is under orders to forbid the use of the range to any persons not carrying cards identifying them as members of the Rifle Service.

Gas defense training session
A special meeting on Mustard and Lewisite gases will be held at 9 o'clock Sunday morning, May 10, in the Park Ridge city hall. Fire Chief Richard Jahn urges all civilian defense workers and firemen to attend.
Help on the first and third Thursday of every month at 7:45 in the evening.
Baptisms are by appointment.
Rosary Sodality meets in the church on the first Sunday of the month at 2 p. m. Members receive Holy Communion at the 8:00 mass on the second Sunday of the month.
St. James Catholic Women's Guild meets in the hall on the last Monday of the month at 7 p. m. Members receive Holy Communion at the 7:00 mass on the first Sunday of the month.

Merle Guild Post American Legion
Tuesday evening, April 28, General George Bell Ritual team from that Post of the American Legion exemplified the Legion ritual on three candidates. The ceremonies were impressive and were rendered in true Legion style and many of the comrades present expressed their desire to have a ritual team in this Post as an aid to membership drives.
Our Commander, Clarence Stadler, has left us to serve his country. He relinquished the chair to Sr. Vice Commander Delmer R. Rippey who will carry on during his absence. Comrade Rippey has served as Commander of another Post so the job will not be entirely new to him. Come on out and lend a hand.
We are receiving new member applications at a good rate and hope that those comrades who have not renewed their memberships will do so at the next meeting which will be held May 12.
Preparations for the annual festival are under way and the Post needs the help of all members to make this event the success that it should be. This year we will hold the Festival on Douglas ave., east of the Recreation Park, where we will be better equipped to handle the crowds that patronize the festival.
It will be bigger and better than ever this year, so watch for further announcements. Our object will be to serve our community, State and Nation at a time when an all out effort needs to be made by all of us.
Comrades who want to make this Post a better Post and who want more activities and amusement are asked to join the workers and help to accomplish these things.
See you at the May 12 meeting.
Our commander is now in the service of his country, so let us serve here on the home front.
Many delinquent legionnaires would do themselves and the American Legion a good service by "getting aboard" so that the roster for 1942 can be completed.
We are very proud of the many Legion members taking active part in the local civilian defense program. Comrade Jno. Lee has been appointed chief of the auxiliary police in the civilian defense, replacing C. L. Stadler.
Veterans of First World War war, who have not as yet joined the local post, can you stand the "touch?"

Arlington Cub Pack News

Baseball seems to be the main activity of the Cubs these days. Passing achievements is still on the program, however, and a number of Cubs are expected to receive awards at the Pack meeting next week.
The local baseball league has been organized so that Cubs will not be playing against others in their own dens. There will be five teams as follows:
Bobcats, composed of Dens 1 and 2; Wolves, composed of Dens 3, 7 and 8; Bears, composed of Dens 4 and 6; Lions, composed of Dens 5 and 11; and Webelos, composed of Dens 9 and 10.
The first games are scheduled for May 20, with the Bobcats and Wolves playing at the North school diamond; and the Bears and Lions playing at the Revenaugh diamond on North Dunton.
At the Pack meeting next week Friday, Dens 1, 2, 4, 6, 7, 9 and 10 will put on the program.

Juvenile round-up begins May 12
Following the vaccination program which has just been completed in the Arlington Heights schools, the annual summer round-up of pre-school children will begin May 12th.
This program is sponsored by the P.T.A. in the public schools, by the St. Peters Mothers club in the Lutheran school and in St. James school by the Ideal club and Women's guild.
At 9 a. m. the round-up will be begun at the north school and will be in charge of Mrs. George Haycock, on Wed., May 13 at 9 a. m. at St. James school where Mrs. W. E. Abbs will be in charge, and on Thursday, May 14th, at 9 a. m. the Mothers club of St. Peters school under the chairmanship of Mrs. Ben Maschoff will hold their round-up.
Jerry Thuerk, is only three weeks old, but he sent a complaint to the editor this week because his name was not included in last week's list of new residents. Jerry is the son of Ray Thuerk, manager of Jewel Tea store. He arrived at St. Francis hospital April 17 and is now at home at 5 E. St. James.
Daddy recently won a blue ribbon for showing the greatest increase in business of any Jewel store in the organization. No wonder with such an incentive.

Arlington

Presbyterian Aid Society have sewing day this Thursday; lunch at noon and business session afternoon.

Mrs. Wm. Glave recently spent a fortnight in St. Louis, with her son, Kenneth, and family.

Miss H. Faust of St. Louis is visiting her sister, Mrs. E. A. Elfeld.

Mr. George Shirley and family have come from the city to live in So. Mitchell ave.

Miss Lilian Draper has been having a short vacation at home before taking a new position in the city.

Miss Gertrude Glave recently enjoyed a two weeks trip south. She visited San Antonio, Texas and New Orleans, La.

Mr. and Mrs. Warren Petterson are occupying their new home in South Belmont ave.

Friday afternoon, May 8, the Presbyterian Missionary Society will meet with Mrs. F. E. Briggs in N. Hadow ave.

Mr. and Mrs. J. E. Lohr have taken the Hartig apartment in N. Pine ave., vacated by Crawford-Thomas family.

Mrs. Rooney and daughter, Miss

ARLINGTON HEIGHTS

Harriett Rooney, have moved to the Vetter apartment in So. State rd.

Mr. and Mrs. N. Mayer, E. Kensington rd., entertained guests from the city, Mr. and Mrs. Robert Lanting, Mr. and Mrs. Frank Lerner, Mrs. Minnie Lerner, Mr. and Mrs. Henry Miller, who came to visit the Mayers Sunday and enjoy the beauties of spring in the open spaces.

Mrs. F. J. Sachs is entertaining her friend, Mrs. Pfeffer, from the city.

Paul Weise and family have come from Park Ridge to live in the lower apartment in 123 So. State rd.

Mrs. Wm. Glave accompanied by her son, H. E. Glave, spent several days this week in Madison, Wis.

Mr. Roy Campbell will spend this week-end at Princeton.

H. F. Ackley has a vacation this week from duties in C. & N. W. Ry. office and with his family spent several days with Mrs. Ackley's sister, Mrs. Geo. Wing, and family, who live on a farm at Prophetstown.

Mr. Marvin Johnston will spend Mothers day in his parent's home, Waupun, Wis.

Mrs. Louise Draper and daughter, Miss Lilian Draper, entertained a group of friends last week Wednesday. A pleasing program was enjoyed. Decorations in red, white and blue gave a patriotic background for the buffet luncheon of sandwiches, fruit cup and a splendid cake with special decorations. Guests were Mesdames A. Bauer, E. Foley, Glave, M. Fehlmann, N. Mayer, E. Framburg, V. Wayman and H. G. Peter, who enjoyed meeting and recalling their drama days, when they gave plays to enliven social programs. Some of the members were unable to attend and were missed by all those present. Airplane bunco was played and prizes awarded Mesdames Mayer, Wayman and Framburg. Everyone agrees that the Drapers are model hostesses.

BENEFIT CARD PARTY

A card party will be held at the field house at 8 p. m. for the benefit of the Servicemen Mother's club. There will be plenty of door prizes and table prizes.

Mothers-To-Be

by C. W. LUSSMAN
of Sieburg Pharmacy

Maternal deaths have been greatly reduced in recent years, not alone because the doctor knows more, but because the modern prospective mother is wise enough to use the doctor's trained specific knowledge.

Many simple things contribute to a normal pregnancy, a normal birth, a healthy child, a happy mother. Simple as they are, they are all vitally important. The doctor knows — see him early, regularly, follow his advice faithfully.

The trained druggist stands by to scientifically compound aids for the mother's health.

This is the 166th of a series of Editorial Advertisements appearing in this paper each week. Copyright

Rest Home notes

Mr. and Mrs. Millet B. Caldwell and their little daughter, Ann, of River Forest, called on their cousins, Mrs. Linville and Mrs. Hansen, Sunday afternoon. They were very happy to see the improved condition of Mrs. Linville.

Mrs. August Lessnow of Chicago spent Sunday at the Home with her sister, Mrs. John Hildebrandt. They had dinner together and enjoyed the afternoon visiting. During the afternoon Miss Lena Wilke and Mrs. Caroline Fienne, both of Arlington Heights, called on Mrs. Hildebrandt.

Thursday afternoon Mrs. Hildebrandt was surprised by a visit from her brother, Herman Dodge of Chicago, whom she had not seen for more than ten years.

Mrs. Agnes Nickol continues to enjoy visits from her sons, Reinhard and Clarence, and from her brother and sister-in-law, Mr. and Mrs. Otto Weidner, of Arlington Heights. Her nieces, Mrs. W. Wagner and Mrs. Geo. Sypen and the little baby, also called.

Rev. H. C. Fricke made a pastoral call on Mrs. John Hildebrandt on Tuesday and administered the sacrament of Holy Communion.

Misses Gertrude and Eugenie Crisier, of N. Evergreen ave., called Monday afternoon and brought a lovely bouquet of white lilacs.

Mrs. George Rau of North Dunton st., brightened the Home with a beautiful bouquet of tulips on Tuesday afternoon.

Mr. and Mrs. Henry Schoen called on their mother, Mrs. Hildebrandt, Monday afternoon.

Mr. Henry Raquet went into the city on business Tuesday morning.

Mr. and Mrs. Weege, of Chicago, called at the Home Tuesday afternoon.

Mr. and Mrs. Hansen welcome to Arlington Heights, their nephew, Mr. Charles G. Shirley, and his family. They are living at 504 So. Mitchell ave. The Hansens hope they will enjoy the "City of Good Neighbors" as much as they do.

Mrs. Emma Oldenburg enjoyed a visit Sunday from Mrs. Caroline Fienne.

Delegate to Illinois Girls State to be selected soon

Announcement will soon be made of the name of the Arlington Heights high school girl who will represent her home town at the 1942 session of Illinois Girls State, sponsored by the American Legion Auxiliary, Department of Illinois, which will be held on the campus of MacMurray College, Jacksonville from Wednesday, June 24 to Wednesday, July 1.

At the same time the boy delegate for the Illinois boy state to be held at Springfield and sponsored by the local American Legion Post, will be announced.

Everywhere, girls who have attended 1940 and 1941 sessions of Illini Girls State are interested in seeing the accomplishments of their friends and younger sisters as this great project in training future citizens is carried forward. Girls who have been privileged to attend before, speak in glowing terms of the program. Girls who look forward longingly to the time when they may be selected to attend are sincerely eager. To the women of the auxiliary who make this type of training possible, much the same feeling is existent. They, too, are anxiously awaiting the 1942 session. They are doing everything possible to make this year's program as complete and as beneficial as those of the past two years.

Educational activity, recreation, and a well-rounded week of entertainment awaits each girl who is selected to attend 1942 Illini Girls State. Mrs. A. C. Rector has charge of the Illini Girls State program for Merle Guild Unit, No. 208 American Legion Auxiliary.

Shirley Platt marries Lt. Doug Milligan

Shirley Ann Platt, daughter of Mr. and Mrs. Loring A. Platt of Barrington, became the bride of Lieutenant Douglas F. Milligan, son of Mr. and Mrs. James Milligan of Arlington Heights, in a quiet ceremony performed at 3:00 o'clock Saturday afternoon in Lubbock, Tex. The Rev. Father Malloy, pastor of St. Elizabeth's Catholic church in Lubbock, officiated.

The bride was attired in a gray and white dress ensemble, and wore a corsage of yellow iris. She was attended by Ruth Joan Connelley. The groom's best man was Lieutenant James Withoff. Following the ceremony, a wedding dinner was served at the Hilton Hotel.

Mrs. Milligan is a graduate of Arlington Heights township high school, and for the past year has been employed at the E. W. A. Rowles company in Arlington Heights. Mr. Milligan attended Drake university at Des Moines, Ia., graduated from the University of Illinois at Champaign, and at present is a lieutenant at an advanced flying field in Lubbock.

The newlyweds will make their home at 2112 Broadway, Lubbock. Lieutenant Milligan is expecting to obtain a leave of absence on or before May 20, when he and his bride will visit with their families in Barrington and Arlington Heights.

Mr. Platt, the bride's father, is publisher of the Barrington Courier-Review.

Arlington Home Bureau unit organized

A group of 28 women gathered at the home of Mrs. J. S. Monroe on Tuesday evening to organize a Home Bureau Unit in Arlington Heights.

The Home Bureau is a branch of the Home Economics department of the University of Illinois, carried on through the extension division.

Headquarters for the Cook county branch is located in the Federal building in Des Plaines, where a home advisor and a secretary are maintained.

The organization offers women the opportunity to study and apply to their home making problems, new developments in arts and sciences, and assists the home maker in securing for her family a better standard of living.

Its aim is to have every home economically sound, mechanically convenient, morally wholesome, mentally stimulating, artistically satisfying, physically healthful, socially responsible, spiritually inspiring, and founded upon affection and respect.

At the present time there are 62 Home Bureau organizations operating in 72 counties of the state. An organized program of home economics is prepared for the year, and conducted at the unit meetings each month by the Home Adviser of Cook county, Mrs. Marie Cornelius, with the assistance of the members of the unit.

Officers were elected for the year at the meeting on Tuesday evening, with Mrs. J. S. Monroe elected chairman, Mrs. Nicholas Lattof, vice chairman and Mrs. Stanley Meyer, secretary.

The June meeting will be a canning demonstration conducted by the Home Adviser at the home of Mrs. Arthur Ashcraft.

Notice

Due to recent change in banking hours, I have changed my office hours at the Arlington Heights National Bank to Thursday of each week, from 12 o'clock noon to 2 o'clock p. m.

I shall also continue Saturday evening hours as heretofore from 6:30 to 8 o'clock at the office of Messrs. Flentje & Behrens, N. W. Cor. Northwest Highway and Dunton Avenue. Telephone Arlington Heights 580.

Chicago office: 110 S. Dearborn St., telephone State 7020.

Baby clinic is May 12

In mobilizing civilian health the welfare of children must be equally considered as that of adults. The Arlington Heights infant welfare conferences aim to keep well babies and thus do their part in maintaining the strength of the nation.

Next Tuesday, May 12, the regular baby clinic will be held at the Arlington Heights Health Center, Wing and Vail sts., from 1:30 to 3 p. m. Mothers of children less than two years of age are invited to attend the clinic.

This month's clinic will particularly emphasize the importance of immunization and vaccination against diphtheria and smallpox, in line with President Roosevelt's May day-Child Health day proclamation, wherein he urged parents of all children nine months of age and over to have them thus protected as a means of keeping the home front safe from these two diseases.

Dr. Schimmel will be in charge of next week's clinic assisted by Mrs. Clara Lund, community nurse.

Mothers club rummage sale

Friday and Saturday, a rummage sale is being sponsored by the Mothers club of St. Peter Lutheran school at 19 N. Vail avenue in the Vail-Davis building. The sale opens, at 9 a. m. and closes at 5:30 p. m. Members are urged to bring their rummage to the school on Wednesday or Thursday.

ST. PETER SCHOOL NOTES

The sale of War Savings Bonds and stamps continues at a brisk rate. To date a total of \$500 worth of stamps and 5 bonds have been sold.

All the children of the school are bringing an offering this Friday, as a part of a nation wide collection in the Lutheran church to be used for the erecting of chapels and service centers in the camps.

New Scout troop files for charter

The new Boy Scout troop in Arlington Heights is filing its application for charter next week with the National Organization. The troop committee has been organized, and Scouts will be signed up beginning next Monday.

The Park Board, at its regular meeting Tuesday, granted the use of the field house auditorium for troop meetings, except that as long as the Civilian Defense school requires the large room, the Scouts will meet in the social room.

All boys twelve years of age and older, who are not now members of other troops, are invited to join the new troop. No. 32 has been assigned by Chief Scout Executive Don Kyger, who has met with the local committee and assisted in the organization.

The new troop is sponsored by the Parent-Teacher association. The committee is composed of Oscar C. Kurtz, chairman, William Lathen, Elvin Anderson, Sr., and C. V. Baker. The Scoutmaster is Theodore Archibald, who has had some valuable experience with boys and especially Cubs. Elvin Anderson, Jr., a Star Scout, is assistant scoutmaster. All of these men have attended an instruction class conducted in three sessions by Mr. William Forrest for the Council.

A number of boys have already said they want to join the new troop. They, and all others, should attend the meeting next Monday, and bring their application cards properly filled out, together with the 50c registration fee. Patrol leaders will then be selected and the organization work carried out.

Arlington Nurses club will meet at the home of Mrs. Frank Sachs 314 West Mueller, Friday evening at 8.

Pvt. Grismer takes Indiana bride

St. Johns church of Evansville, Indiana was the scene of a simple and quiet wedding ceremony when on Sunday at 8:30 a. m., before a beautiful flower bedecked altar, Miss Ruth Loeb of Evansville, became the bride of P. F. C. William H. Grismer of Arlington Heights.

The bride wore an aqua crepe suit, a big brimmed brown hat trimmed in aqua and brown accessories. Her colonial bouquet was made up of white roses and lily-of-the-valley. The groom was in his army uniform.

The bride made a beautiful picture as she came down the aisle on the arm of her brother, Mr. Elmer Loeb of Springfield.

The bridesmaid was Miss Irma Hobgood, also of Evansville, and she wore a beige and green figured crepe dress with navy blue accessories. She carried a colonial bouquet of pink roses and lily-of-the-valley.

Best man was Mr. Alvin Moehling of Arlington Heights, brother-in-law of the groom.

After the ceremony the wedding party and immediate members of both families were guests of Mr. and Mrs. A. Angel, sister and brother-in-law of the bride for an early dinner at the Montgomery, Spence Tea Room, a beautiful old southern home a few miles out of Henderson, Kentucky.

At 1:30 p. m. the Nashville bound train left the Evansville sta-

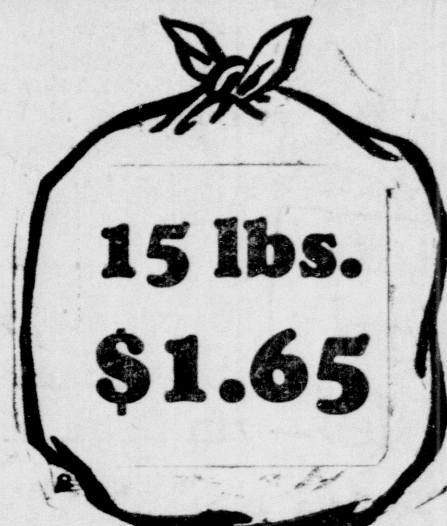

tion with the bride and groom on board, fairly covered with rice showered on them by friends and relatives. Mrs. W. H. Grismer, Jr. will stay in Tullahoma for a week which, besides being a honeymoon, is a vacation from her position in the office of Sears Roebuck & Co., of Evansville, Ind.

Immediate members present of both families were Mr. and Mrs. W. H. Grismer, Sr., and Naomi, Mr. and Mrs. A. Moehling of Arlington Heights, (Mrs. Moehling is the former Mary A. Grismer, sister of the groom), Mr. and Mrs. A. Angel of Evansville, Ind., Mr. and Mrs. E. M. Loeb and daughter, Judy, of Springfield, and the bride's grandmother, who is 85 years of age.

Theta Chi elects new officers

Beta chapter of Theta Chi sorority met on Monday evening at the home of Mrs. Elmer Laurin and elected officers for the coming year. Mrs. Irving Rinker will serve as president, Mrs. Paul Collins, vice president, Mrs. E. A. Taylor, secretary, Mrs. Vernon Sturm, treasurer, Mrs. George Glow, historian and Mrs. H. E. Johnson, program chairman.

Following the business meeting, the group enjoyed their annual white elephant bridge party.

The party was also in the form of a farewell for Mrs. Harold Glave, who is soon moving to Richmond, Virginia. She was presented with a farewell gift by the group.

Mrs. Harry Sebert of Glen Ellyn attended the meeting.

The hostess served a delicious midnight lunch, following the evening at bridge.

Club calendar

May 12—Seeing Eye dessert bridge.

May 16—Methodist Woman's rummage sale.

Dessert bridge to benefit 'Seeing Eye'

Mrs. George Hartford, of 100 Drury Lane is opening her home for a one-thirty dessert bridge for the Seeing Eye, on Tuesday, May 12.

The party is open to any one interested in assisting in this worthy project, the Seeing Eye, which sponsors the training of dogs for the use of blinded soldiers, sailors and civilians.

The use of these dogs has made it possible for blind people to hold independent places in their communities, and to become useful citizens. Blinded soldiers and sailors in previous times have been confined to institutions, and now the Seeing Eye organization plan to train sufficient dogs during the next few years, that such men blinded in the service of their country may, with the help of a seeing eye dog be trained to remain independent and lead useful lives.

Mrs. Austin Pope of River Forest is in charge of the drive in the western suburbs including Arlington Heights, and Mrs. Hartford has been appointed as the local chairman, with Mrs. Thomas Coleman her assistant.

Table prizes will be awarded at the party, and all who attend will enjoy the gracious hospitality of Mrs. Hartford. Anyone interested in attending may either plan to fill their own table and call a reservation in to Mrs. Hartford, tel. 321 or may fill in at some table already arranged by calling for a reservation at the Hartford home this week.

5 yr. old Heights boy takes part in D. A. R. parade

William Scott Gregory, five year old son of Mr. and Mrs. Kenneth R. Gregory of 208 North Haddon, had the honor of taking part in the procession at the opening meeting of the 51st continental congress of the D.A.R. which opened on Monday, May 4, in the Medinah Temple in Chicago.

Billy, who shared this honor with small Gay Holland of Oak Park, served as representatives of the Ethan Allen chapter of the C.A.R., the children's auxiliary of the D.A.R. The two youngsters were dressed for the occasion in colonial costumes, and Gay Holland of Oak Park presented the Grand President of the D.A.R., Mrs. William H. Pouch, with a bouquet as Billy made a formal bow fitting to the occasion.

Methodist women rummage sale Saturday

The Woman's Society of the Methodist church are holding their annual rummage sale on Saturday, May 16, from 9 a. m. until 5 p. m. in the gymnasium of the church. All articles left from the Thrift Shop will be for sale as well as many other articles of merchandise. Anyone having further contributions should take them to the church or call Mrs. E. H. Heller, president of the society, tel. 283-J.

Mr. and Mrs. Robert Blackburn were hosts to a group of relatives at supper on Sunday evening, as a farewell for Glen Blackburn, who leaves this week for induction into the army.

Arlington Local News

Mr. and Mrs. Charles Bloeker were hosts to their bridge club for dinner and cards on Sunday evening.

Mr. and Mrs. R. E. Lawbaugh left Tuesday for a short visit to Sheffield, Iowa, where they will help Mrs. Lawbaugh's mother celebrate her birthday and mother's day.

Mr. and Mrs. Arthur McElhose entertained a group of relatives from Chicago on Sunday.

Jack Moodie of the village and Kay Sebert of Glen Ellyn, were formally initiated into Delta Upsilon Fraternity at the D. U. house at Iowa State College at Ames, Iowa, on Sunday. Mr. Harry Sebert of Glen Ellyn, motored out to attend the initiation.

Mrs. Peter Mork is spending the next two weeks with her niece, Mrs. Iver Nacler in Chicago.

Mrs. Marion Grigsby was hostess to her bridge club for dessert and cards on Thursday afternoon.

Mr. and Mrs. William Mueller left Thursday of last week for a week's vacation in Cincinnati, Ohio, where they will visit at the home of their son and his family.

Mr. and Mrs. Robert Mueller and daughter, Gretchen.

Miss Marjorie Annen spent three days in Louisville, Kentucky last week, and had the good fortune to attend the Kentucky Derby. She returned home on Monday.

Mr. William Scott Gregory of Orange, New Jersey, arrived at the Kenneth R. Gregory home this week in time to celebrate the birthday of the small Gregory son, and will remain for a few weeks visit.

Mrs. Clyde Meredith who underwent a major operation at St. Lukes hospital recently is recuperating nicely.

Lewis Helm, now in the air corps, who has been stationed at Camp Forrest, is home on a furlough.

Mrs. H. E. Johnson entertained four friends from Highland Park for luncheon and bridge on Tuesday.

Friendly class to meet Tuesday

The Friendly class of the Presbyterian church will meet on Tuesday afternoon, May 12, in the church at 2 p. m., when dessert will be served.

Mrs. D. C. Costain is in charge of the program for the afternoon.

Washed Gold

Gold has been found in the sand and gravel used in the erection of the civic center in Great Falls, Mont., but no practical means has been found to recover it. The gold is estimated to be worth about \$750.

Fresh foods will delay tin shortage

A & P cooperates with government to up consumption

Tin priorities and the curtailed use of cans for food should present no immediate problem for Arlington Heights, Ill., housewives as fresh fruits and vegetables are being made available in steadily increasing quantity and variety, J. P. Smith, vice president for the A & P Food Stores in the area declared today.

He announced the inauguration of a nationwide advertising and promotion campaign to feature fresh fruits and vegetables designed to provide vitamin- and mineral-bearing fresh produce at reasonable cost and in greater quantity.

"There are four main purposes behind this campaign," Mr. Smith said. "First, the A & P has pledged its cooperation in the government's nutrition drive — the program which calls for 100 per cent increase in the national consumption of fruits and leafy green vegetables and a 70 per cent greater use of citrus fruits and tomatoes for the sake of the nation's wartime health."

"Second, because the huge increases in production demand greater efficiency in distribution, the A & P is increasing its effort under its long-standing policy of giving support to growers

in marketing heavy crops at seasonal peaks.

"Third, we believe that in the present crisis, it is doubly essential that American housewives should be given every opportunity and aid in getting a 'good table' — and that one essential of the good table is a good supply of the health maintaining foods."

"And fourth, if she is to maintain the proper dietary balance for her family, the housewife must be able to get these foods at lowest possible cost. In order that this be done we are moving fresh produce from farm to retail store by the most direct routes, in shorter time and with fewer handlings and less cost than by any other commercially employed methods."

Several media will be used during the promotion and advertising campaign, Mr. Smith said, but, as in the past, greatest reliance will be placed on newspaper advertising.

Stress will be laid during the campaign on home canning programs being sponsored by the government as part of the nutrition drive, the food chain executive said. Not only will it bring a wide variety of perishables before the consumer but will emphasize commodities in heavy production periods and thus aid the grower in moving his crop and giving the housewife the advantage of favorable buying.

Among the commodities now available, Mr. Smith listed the following:

Florida oranges, Cuban pineapple, Texas new potatoes, California new potatoes, hot house tomatoes, California green peas, Florida celery, Maine white potatoes, Texas yellow onions, rhubarb, spring spinach, Florida cucumbers, California lemons, Florida grapefruit, California avocados, Florida green beans, new southern cabbage, radishes, cauliflower, California iceberg lettuce and Texas carrots.

ARLINGTON HEIGHTS

Are coaching minute men for war fund drive

Faced with the problem of mobilizing and training 100,000 "Minute Men" to conduct the house-to-house canvass in Chicago for War Bond pledges, the Chicago War Savings Bond Staff turned to the securities business of La Salle Street for coaches and sales managers.

Included among the volunteers serving in that capacity are John E. Cahill, of 602 S. Belmont, Arlington Heights, who is associated with the securities firm of Bear, Stearns & Co., and Hume Young of 605 Lincoln Lane, Skarsdale, who is associated with the securities firm of Webber, Darch & Company.

Organized under the Illinois Committee of the Securities Industry for War Financing, the La Salle Street men have been sent into all sections of the city to address mass meetings and pep sessions of the Minute Men.

Odd Ornaments

In the 1800s, pie pans, wooden chopping bowls, dustpans and other utensils were painted with landscapes, fruits, and flowers, and used as wall ornaments.

Tri-City women golfers open tournament

The Tri-City women's golf tournament opened the qualifying round Tuesday at the Mt. Prospect country club with 37 ladies turning out. It is hoped that more will join the organization this week. Anyone interested who hasn't

qualified may do so this week or Wednesday, May 13. Players should play with some other member of the tournament and turn in a signed score card to Harold Willson. The next week day of play will be Wednesday at 9 a. m.

Women in the lower brackets Tuesday were Miriam Dibble, 51, Marion Yates, 56, Iva Squires, 56, Alta Currie, 57, Adelaide Austin, 56, Ann Keeney, 57, and Marguerite Tuttle, 59.

Dorothy Hanauer takes vows with Maywoodman

Miss Dorothy Hanauer, daughter of Mr. and Mrs. W. C. Hanauer of 402 North Douglas, became the bride of Mr. Howard Walter Griesbach, son of Mr. and Mrs. Grover G. Griesbach of Maywood, on Saturday, May 2. The ceremony took place in the St. John's Lutheran church of Maywood at 5 p. m., with only the immediate relatives and close friends in attendance.

The bride wore for her wedding an aqua tailored suit with british

tan accessories, and her flowers were white orchids. Jean Hanauer, twin sister of the bride, was the bride's only attendant and she wore for the occasion a beige suit with brown accessories, and her flowers were white sweet peas. Raymond Griesbach, brother of the groom served as best man.

The wedding reception was held following the ceremony at the home of the bride's parents in the village.

Due to the bridegroom's position as production manager for the Chicago Metal Hose Co. of Elgin, who are doing work vital to defense, the young couple have had to postpone their honeymoon for the present. They will be at home at 202 Perry ave. in Elgin.

Dorothy graduated from the local high school with the class of '39 and since that time has been employed by the Kiwanis International in Chicago.

The groom attended the schools of Maywood and Elmhurst College.

Two parties which were given recently for the bride, were those given by Mrs. Eugene Stoick of Evanston who entertained at a personal shower for the bride, and the party given by Mrs. James Bown, which was in the form of a handkerchief shower.

Dorothy Dibble to Washington for folk festival

Dorothy Dibble, 817 North Chestnut, Arlington Heights, was one of a group of 17 students of Central YMCA College who left for Washington, D. C., Tuesday afternoon, May 5, on the Columbian to participate in the National Folk festival being held in Constitution Hall in that city May 6, 7, 8 and 9.

Presenting a group of old French folk dances in costume, the Central YMCA College dancers will be one of the specially selected groups to participate in the Saturday evening performance at which many diplomats will be present.

From Washington the students will go to New York with other specially invited groups from the National Folk festival where they will dance Monday afternoon and evening, May 11, in special performances in Madison Square Garden. Returning, they will spend a day at Niagara Falls.

Accompanying the students will be Joseph Creanza, chairman of the Department of Modern Languages, who originated French folk dancing in the College several years ago and who serves as director and coach. This is the fourth consecutive year that he and his students have been invited to take part in the National Folk festival.

63 celebrate at bowlers' dinner party

Members of the Thursday evening bowling league were hosts to their wives and sweethearts to a turkey dinner at Simon's on Saturday evening, when the group of 63 enjoyed a gala party.

The affair was planned as a fitting close to a successful league year.

Following the dinner the league president, Mr. Eddie Haisler, presented trophies to the sponsors of the winning teams, who were also guests at the party.

An impromptu program followed the trophy presentation, with various members of the league taking part, much to the merriment of the guests present.

Mr. Warren Fellingham presented the winning checks to the league members which in many cases were promptly given to the wives.

Officers were elected for the league for the coming year, with Mr. Irving Rinker elected as president, Mr. Robert Swanson as treasurer and Mr. Orville Baldwin as secretary. The league presented the outgoing president, Mr. Haisler with a gift from the group.

Dancing followed the program for the evening, and the ladies are hoping that the bowlers will repeat the affair at the close of the season next year.

Mrs. C. H. Mills attends D. A. R. convention

Mrs. C. H. Mills attended the Wednesday session of the 51st Continental Congress of the D.A.R. which is being held in the Medinah Temple in Chicago this week, and was the luncheon guest of Mrs. Helen Gardner Adams, past national chairman of the music committee on which Mrs. Mills served some time ago. At that time Mrs. Mills wrote the words for a song which is used by the children's organization of the D.A.R.

Mrs. Mills has learned recently that Constitutional Hall built by the D.A.R. some years ago in Washington, D. C. is reported to be the finest building in the world built by an exclusive woman's organization. This building was erected during the years that Mrs. Mills served as state registrar for Indiana, and she had a part in raising the funds for its erection. The names of "Bud" and Dorothy Mills are upon the scroll which was placed in the corner stone of the building.

Convention news given P E O

The E. R. Chapter of P.E.O. met on Monday evening in the home of Mrs. Kenneth Oden and heard Mrs. Warren Fellingham and Mrs. Jack Monroe give convention reports of the recent state convention which was held in Chicago.

Following the program the hostess served refreshments.

Annual Spring band concert applauded by all

Tea honors new Inverness 'Bundles' unit

The members of the board of the Bundles for America of the village, gave a tea on Wednesday afternoon of last week in the field house.

The tea honored the new Inverness group which has been recently organized in that subdivision, and the new Army division which has been organized in the village.

Fifty two members attended the affair, and the warm spring day made a perfect setting for the display of new spring outfits.

The tea table appointments were in red, white and blue, with red and white carnations serving as a center piece. A miniature soldier boy and sailor boy and small American flags added to the attractiveness of the table. Mrs. Tom Coleman, chairman of the new army unit and Mrs. Joseph Brady, its secretary, presided over the silver service, and Mrs. Charles Forsman and Mrs. Walter Woolmer, secretary and treasurer of the Navy unit, assisted in serving.

The unit meets in the Arlington Heights Field House each Wednesday to knit and sew for the army and navy, and to rehabilitate clothing for use of army and navy wives in need.

American Legion auxiliary notes

Mrs. Anne Leon, the 9th district director was the honored guest of the A.L.A. on Tuesday evening. After listening to several annual reports she said that the unit was not in need of a pep talk.

After a spirited discussion as to the sources from which the fund was to be derived, it was voted to present the Legion Post with \$275 required to insulate the outside walls and finish the trim of Legion hall.

To make it possible for the treasurer to function, it was decided to give an evening card party on June 4. Mesdames Cecily Rippey, Helen Baumann, Merle Holtz and Fanny Mae were appointed a committee to be in charge of arrangements.

Mr. Robert Palmer was introduced by Mrs. Camille Peroutka, Pan American chairman and provided a delightful entertainment by showing the pictures in color taken when he and Mrs. Palmer toured Mexico on two different occasions.

Mr. Palmer told where the pictures were taken and interesting things about the country.

The auxiliary is very grateful to Mr. Palmer for sharing with them the pleasures of his Mexican tour.

Mrs. Carroll has 76 names on her list of blood donors. Arlington Heights has never been backward in giving help to worthy causes. The auxiliary welcomes the cooperation of other organizations in its effort to supply the Red Cross with the blood which is so greatly needed.

After adjournment the hostesses, Mesdames Teutsch, McEuen, Holtz, served refreshments.

Mrs. Charles Foster, mother of Mrs. A. D. Hines, Mr. and Mrs. Roderick Foster and children, Effie and Charles and Miss Mildred Kelllogg of Milford, Connecticut, were guests in the Hines home last week.

The annual spring concert given by the music department of the high school which was presented on last Friday evening, again met with meritorious approval of all who attended.

The program had been well planned as to repertoire, with selections by the second band, the concert band, the girls chorus and ensemble, the brass sextet, the clarinet quartette, vocal solos, and comedy numbers, making up the program for the evening.

The numbers presented by the girls' chorus were most enthusiastically received, and much credit for their excellent performance is due their director, Mrs. Wintersteen.

The second band, whose members are the beginners in the band department played several numbers, and their work gives promise of good concert band material for the future.

The concert band carried most of the program for the evening, and as usual gave a fine performance. Their program included numbers from well known musical operettas, patriotic numbers, and marches which featured various sections of the band.

Special numbers presented by the brass sextet, the clarinet quartette and vocal solos by Miss Mary Ann Eiler were greatly enjoyed by the audience, who always tax the seating capacity of the high school for this outstanding musical treat.

Mr. D. G. Costain, director of the bands and orchestra, deserves much praise for the splendid work of his department, whose services are greatly in demand in and about

OBITUARIES

Mrs. Mildred Bohn

Mrs. Mildred Bohn of Chicago, wife of Felix Bohn, died in a local hospital Sunday following a long illness.

Funeral services were held at 11 Wednesday morning in the Town cemetery at Arlington Heights with the Rev. Albert E. Taylor of St. James Episcopal church of Dundee officiating.

Mrs. Ida Burmeister

Mrs. Ida Dorothea Katherine Burmeister, daughter of Mr. Henry Krieter and his wife, Mrs. Sophie, nee Wentz, was born November 10, 1866 near Plum Grove. She was baptized at the Plum Grove church in her infancy. She was confirmed at St. Paul's church in Palatine March 21, 1880.

The first eight or nine years of her life she lived on a farm near Plum Grove, and then moved to Palatine. For a number of years she taught a class of boys and was also for a time the church organist at St. Paul's church.

She was married September 12, 1894 to Mr. Herman Burmeister in the Palatine Evangelical church. After their marriage, Mr. and Mrs. Burmeister lived in Chicago. Their

union God has blessed with two children both of which survive to mourn the passing of their mother.

Mrs. Burmeister was a member of St. Paul's Evangelical and Reformed church in Chicago.

Mrs. Burmeister suffered a stroke about five years ago and she has been more or less ailing since. She got worse about eight weeks ago when she suffered from toxic poisoning due to diabetes. March 15 she was taken to St. Joseph's hospital in Chicago where she remained until April 16 when she was taken to Streeter Memorial hospital in Chicago where she passed away at 3:00 p. m. on April 29. She had reached the age of 75 years, 5 months, and 19 days.

She leaves to mourn her departure, one daughter, Miss Ethel M. Burmeister of Chicago; one son, Harry W. Burmeister, and his wife of Park Ridge; one grandson, William Harry Burmeister of Park Ridge; one brother and his wife, Mr. and Mrs. Louis H. Krieter; a number of nieces and nephews, together with a host of other near and far relatives and many friends.

Funeral services were held Saturday afternoon from the Bentley chapel in Chicago, and at St. Paul's church in Palatine about 3:00 p. m. Interment was made in Hillside cemetery in Palatine beside her husband who preceded his wife to Eternity on June 6, 1924.

Rev. W. F. Huebner, pastor of St. Paul's church at Palatine, officiated.

Mrs. August Busse

Alvine Busse, nee Rohlfing, beloved wife of August Busse of Elk Grove township, passed away Tuesday morning, May 5, at St. Francis hospital at Evanston at the age of 58 years, 6 months and 5 days. She was born October 31, 1883 in Elk Grove township, attended school at Schaumburg and was con-

Service To The Living In Peace And War

The worth of each individual's life is measured by his ideals and the manner in which he serves them. Americans are meeting a rigorous test of manhood and womanhood—the same severe appraisal of our courage and fortitude that proved the self-sacrificing loyalty of those who won for us our cherished independence.

Lauterburg and Oehler FUNERAL HOME
111 W. CAMPBELL STREET
PHONE ARL. HEIGHTS 23

firmed April 11, 1897 in Schaumburg.

On February 12, 1903, she was united in marriage to Mr. August Busse at the Elk Grove Lutheran church by Rev. Haake. After marriage this couple made their home on their farm at the intersection of Algonquin and Arlington Heights rd.

She leaves to mourn her departure her loving husband, Mr. August Busse and her mother, Mrs. Louisa Rohlfing, and three daughters and one son, Mrs. Anna Goebbert, Mrs. Ernestine Goebbert, Mr. John Busse, Mrs. Eleanor Giescke; one daughter-in-law; three sons-in-law and seven grandchildren; two brothers and three sisters, Mrs. Emma Pfingsten, Mrs. Martha Oldendorf, Mr. Herman Rohlfing, Mr. William Rohlfing, Mrs. Anna Meier, and a host of other relatives and friends.

She will be lying in state at Karstens Funeral Home until Thursday morning, when she will be taken to her own home at Algonquin and Arlington Heights rd., where services will be held at 1:30 p. m. Friday, May 8, then to the Mt. Prospect Ev. Lutheran church at 2:00 p. m. interment will be in the Elk Grove Lutheran cemetery.

Mrs. Lillian France

Mrs. Lillian France, Hillside ave., Prospect Heights, succumbed Monday morning at a Chicago hospital. She was the mother of Herbert France of Prospect Heights. Services were held Wednesday from the Lauterburg and Oehler Des Plaines chapel, Rev. Manny of the Des Plaines Methodist church, officiating. Interment Ridgewood.

Mrs. Bertha Koehler

Mrs. Bertha Koehler died at 1:30 Wednesday afternoon, three hours after a sudden illness. She had undergone an operation two months ago and was apparently on the road to recovery.

The funeral will be held Saturday afternoon at St. Peter Lutheran church with interment in Euclid Lawn cemetery.

Bertha Hollinger was born in Austria in 1892, coming to America when 17 years of age, making her home in Chicago where she married Adolph Koehler who passed away a year ago.

She leaves two children, Mrs. Arthur Schoepke, Arlington Heights and a son, William Koehler of Chicago, and one grandchild.

Miss Kublank

Miss Matilda Kublank, daughter of Mr. William Kublank and his wife, Mrs. Maria C. nee Sunderlage, was born on July 15, 1871 in Schaumburg. Her father's family came to America from Germany in 1848. Her mother's family came in 1838 and settled in Schaumburg on government land. She was baptized and confirmed in Plum Grove.

She has lived her entire life on the old homestead. In July, 1938, she went thru a very serious operation, but she recovered from this and enjoyed good health until this winter when a cold left her in a weakened condition. This developed into heart trouble. About ten days ago she was taken to the Palatine Community hospital where she grew steadily worse. She passed away at 1:17 a. m. on April 29. She had reached the age of 70 years, 9 months, and 14 days.

Miss Kublank leaves to mourn her departure, two brothers, Herman and Edward, who both lived with their sister at home; two sisters, Miss Rosa M. Kublank who also lived at home, and Mrs. Emma Westrope of Palatine; one uncle, Mr. August E. Sunderlage of Elgin and his family; one aunt, Mrs. Sophia Sunderlage and family of Madison, Wis., a number of cousins, second cousins, together with other near and far relatives and many friends.

Funeral services were held on Sunday afternoon at 2:00 p. m. from the Daniels and Tharp Funeral chapel in Palatine. Interment was made in Hillside cemetery, Palatine. Rev. W. F. Huebner, pastor of St. Paul's church, Palatine, officiated.

IN MEMORIAM

Moore—Sonia Moore. In loving memory of my beloved sister, who passed away May 9, 1941. Deep in my heart, your memory lingers. Sweetly, loving, tender and true. There is not a day, dearest sister, That I do not think of you.

Brother, Albert Haseman.

Des Plaines 'TB' clinic May 18

Under its 1942 Early Diagnosis Campaign slogan, "Tuberculosis—Find It, Treat It, Conquer It," the Des Plaines Health Center, 1561 Ellinwood ave. is intensifying its search for early cases of tuberculosis through the regular monthly diagnostic chest clinics. On Monday, May 18, from 10 a. m. to 12 p. m. the next clinic will be held at the Center's offices. Arlington Heights residents are also invited to attend the clinics at the Des Plaines Health Center.

"We have the use of scientific weapons which can help find tuberculosis infection and can stamp out this insidious disease," said Miss Olga Osback R.N., of the Des Plaines Health Center. "Through the tuberculin skin test and the chest x-ray we have two, simple and harmless methods by which we can uncover tuberculosis infection long before it has damaged the lungs."

Both adults and children are invited to attend the chest clinics. The Des Plaines Health Center is affiliated with The Tuberculosis Institute of Chicago and Cook county, whose year-round program is financed by the sale of Christmas seals.

Many scouts receive awards at court of honor

An enthusiastic audience, which filled to capacity the assembly room at the Mt. Prospect school last Thursday evening, witnessed one of the finest courts of honor which has been held in the Central district (Des Plaines, Mt. Prospect, Prospect Heights, Arlington Heights, Wheeling, Schiller Park) of the Northwest Suburban Council of Boy Scouts of America.

The feature of the evening's program was the presentation of the Eagle Scout award to Scout Louis Hollembaek of Troop 23, Mt. Prospect. Scout Commissioner H. F. Koelling, Park Ridge, himself an Eagle Scout, conducted the impressive ceremony, of this, the highest award in Scouting.

Troop 23, Mt. Prospect, under the leadership of Russell Smith, conducted the opening and closing ceremonies. James E. Wax, representing the host Troop, gave a message of welcome.

E. N. Fletcher, district chairman of the committee on Health and Safety, presented the Midwest First Aid certificates to the patrols who participated in the Region Seven First Aid program. Following the closing ceremony, the new motion picture of Philmont Scout Ranch, in color and sound, was shown.

The awards presented were as follows: Troop 7, Arlington Heights — Second Class: James Pies, Edward Stoltz; Troop 23, Mt. Prospect—Second Class: Donald Brossart, Charles Dresser, Norman

Plaines, chairman of the district court of honor, presided at the ceremony, and in a message to the scouts, stressed the importance of the Boy Scout's place in the civilian defense program and the importance of every possible boy in every community receiving the Boy Scout training in order to be of greater service to his country.

The troop camping award emblems for 1941, which are presented to each scout and scout leader who has had at least seven nights of camping under troop leadership, were presented to the following: Troop 7—Harry Knaack, Frank Freymuth, Elmer Thorsen, James Prest, William Freymuth, Roland Prest, Lloyd Baldwin, Marvin Russel, Grant Judge, Thomas Kurtz, Helmar Adam, Emery Baxter, Leonard DesJardins, Donald Heidorn, William Williams, Robert Williams; Troop 22 — Ralph Schultz, Michael Just, Michael Clarke, Charles Winchesky; Troop 23—Louis Hollembaek, Humbert Hollembaek, Charles Carlson, Arvid Carlson, James Scott.

Albert Pieper, Council chairman of the committee on Health and Safety, presented the Midwest First Aid certificates to the patrols who participated in the Region Seven First Aid program.

Following the closing ceremony, the new motion picture of Philmont Scout Ranch, in color and sound, was shown.

The awards presented were as follows: Troop 7, Arlington Heights — Second Class: James Pies, Edward Stoltz; Troop 23, Mt. Prospect—Second Class: Donald Brossart, Charles Dresser, Norman

Hansen, Carlyle Roderick; Merit Badges: Arvid Carlson, handicraft, woodcarving, physical development; Charles Carlson, handicraft, woodcarving, physical development; Louis Hollembaek, woodcarving, handicraft; Donald Hotz, scholarship, handicraft, first aid to animals; Robert Smeby, first aid to animals, safety, athletics, scholarship, handicraft; Troop 36, Prospect Heights—Second Class: Harry Daniels, Douglas Dean, James Dean Jr., James Olsen, Peter Rodgers, Douglas Valley; Star Scout awards; Troop 13—Elvin Hoch;

Troop 14—James Carroll; Jr.; Troop 22—William Baker, Edward Clarke, Charles Winchesky; Life Scout awards: Troop 14—Leonard Kennard; Troop 23—Robert Smeby.

Awards given at Thursday night keggers' banquet

Presentation of first place trophy by President Heisler to Harry H. Knaack, sponsor of winning Knaack Buick Motor Sales team. Standing, left to right: V. A. Sturm, Pres. E. W. Haisler, Harry H. Knaack, R. C. Swanson. Seated, left to right: J. A. Grifo, E. F. Laurin, (O. E. Schwartz, captain, absent).

Co-winners of second place: Standing, left to right: Webber Paint Co. team: K. L. Miltzer, O. M. Baldwin, Capt. E. W. Simmons, K. L. Heimlich, W. W. Meyer. Seated, left to right: Esquire Service Station team: Pres., E. W. Haisler, P. J. Hertel, Capt., G. F. Bozee, H. C. Young.

A successful year was completed last week-end with a sweepstakes playoff on April 30th and League banquet on May 2nd, at Simson's Restaurant on Euclid and Rand Roads where the following awards were made:

First Place Trophy was presented by Mr. J. J. Varnak, Sr., Arlington Recreation Parlors to Knaack Buick Motor Sales team: O. E. Schwartz, Captain, J. A. Grifo, E. F. Laurin, V. A. Sturm, Secretary, R. C. Swanson.

The tie for second place was solved by duplicate awards. Second place trophies were presented by the League to Esquire Service Station team: F. J. Hertel, Captain, G. F. Bozee, A. E. Burnier, E. W. C. Haisler, President, H. C. Young and to the Webber Paint Co. team: O. M. Baldwin, Captain, K. L. Heimlich, W. W. Meyer, K. L. Miltzer, E. W. Simmons.

The consolation prize of "ten-pin" high was awarded to the last-place team: Eddie's Castle Bar team, I. T. Rinker, Captain, R. R. Blackburn, T. J. Dodge, L. Henken, H. G. Klehm.

Individual trophy was awarded for most games won by an alternate or "sub"; J. J. Varnak, Jr.

Prize moneys were awarded for team high series and High game as follows:

First High Series — Knaack Motor Sales, 3279; Second High Series — Eddie's Castle Bar, 3234; First High Game — Sieburg Drug Co., 1115; Second High Game — Pepper Construction Co., 1106; Individual High Series — W. W. Meyer, 731; Individual High Game — I. T. Rinker, 247; Alternates: Individual High Series — H. E. Johnson, 676; Individual High Game, with handicap, tied — F. W. Giesecke, Jr. and J. J. Varnak, Sr., 254.

The winners in the Sweepstakes of April 30 were: — \$7.00 — F. J. Hertel, 694; 1st High Game — \$5.00 — E. F. Laurin, 252; 2nd High Series — \$4.00 — V. A. Sturm, 655; 2nd High Game — \$3. — R. C. Swanson, 242; 3rd High Series — \$2.00 — A. P. Sledz, 629; 3rd High Game — \$1.00 — H. C. Young, 235.

The prize moneys were paid in check-form at the banquet on Saturday night in the presence of the members' wives and sweethearts, which "set-up" was bad to start with. To make matters worse, Secretary Sturm received the first check which he publicly and immediately turned over to Mrs. Sturm who was on his left. There was such a furor created at seeing this "precedent" for the sight of the Lady-Loves of the other members that the house was brought down on him to such an extent that he had to reclaim the check openly to keep peace among the boys. After the distribution of the various checks due, the party was entertained by some pantomime imitations of delivery-form-while-bowling of some of the "stellar" keggers of the League, which did more justice than can be realized.

The appreciation of the work done by President Haisler in conducting one of the most successful Sponsored Leagues in Arlington Heights, was expressed in the presentation of a slack-suit to him by the membership.

The season and evening were closed with the election of officers for the coming year. The newly elected officers are: President, I. T. Rinker; Secretary, O. M. Baldwin; Treasurer, R. C. Swanson.

Your secretary has enjoyed the opportunity of serving his colleagues and the bowling fans of Arlington Heights during this past year. Thank you for your attention.

"Flight Command" coming to the Arlington It Happened Here

In line with the Arlington Theater's policy of occasionally returning outstanding films, "Flight Command" will be shown next Tuesday and Wednesday. Above, Robert Taylor, and Ruth Hussey disagree in a scene from the picture. Also in the cast are Walter Pidgeon, Nat Pendelton, Paul Kelly and Shepperd Strudwick.

When she came home she bro't a double handful of the first violets from the violet patch. "Let's put them in Grandmother Owen's sugar bowl." So the precious dish was bro't out and there it stands, a large, old-fashioned glass bowl, scalloped around the top, with ornamental, faceted grooves around the sides — not cut glass, dear me, not just a dignified bowl capable of holding enough sugar for a family of eight or more, symbol of a time and usage passing away, Grandmother Owen's sugar bowl! ... A business man, transferred from Duluth to the Chicago office, set out to explore the City by a series of short evening walks; in the course of his wanderings he found himself in Jackson Park, uncertain which path to choose when he noted a Boy Scout ahead of him. "Now at home I had worked with the Scouts so I set out to follow this fellow and he led me thru the Park, out into a fine residential district, up to the door of a beautiful brick church where he disappeared inside. Well, I was curious enough to step up and

read the bulletin board: 'Bryn Mawr Church, Theodore K. Vogler, D. D., Minister! Well, I used to attend Dr. Volger's church up in Duluth, so I seemed to have followed the right lead.' In relating the incident to his office associates, he learned that one of them sang in the Bryn Mawr choir, so now he says, "When in doubt,

follow a Scout." The earth can wreath her flowery chain And deck these fields in living green While in heaped burrows lie the slain And Cain wots not that God has seen. S'Amuser.

Canoe trip, Rocky Mts. beckon Boy Scouts in '42

The Boy Scouts of the Northwest Suburban Council will have ample opportunity for camping this summer, according to the plans announced by Otto E. Harz, council chairman of the committee on camping and activities.

Camp Oh-Da-Ko-Ta

This week the camp folder of the 1942 season of Camp Oh-Da-Ko-Ta is being distributed to the Scouts and Scouters. Camp Oh-Da-Ko-Ta is located about nine miles east of Lake Geneva, Wis., and is operated each summer for the Boy Scouts of the Northwest Suburban and the Kenosha county councils. This summer the Scouts from the State Line Council, with headquarters at Beloit, Wis., will also attend Camp Oh-Da-Ko-Ta, and consequently, the Camp will be open for eight weeks of camping, opening on June 21 and closing on August 16.

One of the features of the Camp this year will be a special unit for Emergency Service Corps training. New tents with wooden floors have been provided, and the Scouts will be billeted four to a tent. The unit will provide for two Patrols of eight scouts each.

Camp MIWI

A special opportunity is provided this year for a canoe trip in the northern woods of Wisconsin. This is for senior scouts, who are young men fifteen years of age and upwards.

The ninety Boy Scout Councils of Region Seven (Illinois, Indiana, Michigan, Wisconsin), have combined to equip and operate, in cooperation with the Wisconsin Department of Conservation, a special camp located on Lost Canoe Lake, a few miles east of Boulder Junction, Wisconsin, which is in the Eagle River district.

Senior Scouts, under their own leadership, can participate in this Camp, and everything is furnished with the exception of sleeping gear and toilet kit. Canoes, tents, cooking gear and food supplies are all furnished by the camp.

The cost per day is \$1.50 per person, and the program is arranged for six-day trips. Scouts and leaders who are interested in participating in this opportunity should get in touch with members of the committee on camping and activities, the commission staff or scout headquarters.

Philmont Scout Ranch

Our Scouts will also have the opportunity of participating in a camping experience in the Rocky Mountains of northeastern New

Mexico, a part of the country close to the Santa Fe Trail, and once the stamping grounds of Kit Carson. This ranch, consisting of 127,395 acres, a gift of Mr. Waite Phillips of Tulsa, Oklahoma, is maintained by the National Department of camping of the Boy Scouts of America, for groups of senior scouts to attend under their own leadership.

This year, for the second season, Region Seven is conducting a special trip to Philmont Scout Ranch. The trip will be made by bus directly to the ranch and return. The scouts will camp out on the trip, but meals will be secured at restaurants along the way. The group will leave Chicago on August 6 and six full days will be spent at Philmont. The program there will consist of special trips around the Ranch, including hiking, horseback and chuckwagon trips.

The total cost for this trip will be \$58.00, which will include transportation, food (meals enroute and at Philmont), rental of horses, etc.

Adequate leadership will be provided for this trip, and a member of the regional staff will accompany the campers. Scouts will participate in this trip as individuals, and it is not necessary for an adult leader to accompany them. Last year the following scouts participated in this trip: Mitchell Rhodes, Kenneth Gress and Gilbert Thomas, Troop 2; Robt. Dunsmore, Troop 3; and Norbert Harz, Troop 11, all of Park Ridge.

The members of the Council committee on camping and activities are: Otto E. Harz, Park Ridge, chairman; E. N. Fletcher, Des Plaines, Central District; E. G. Ericson, Barrington, northern district.

READING & WRITING BY Edwin Seaver AND Robin McKown

JOHN GUNTHER, who is the only man we know of to have successfully invaded three continents single-handed, has just completed a new War Edition of his book, "Inside Asia." The new edition of this excellent book brings the record up as far as the Japanese grab of the Dutch East Indies.

JOHN GUNTHER

Mr. Gunther, who has a passion for statistics, reports that he made five thousand textual changes in the new edition, added 30,000 words.

While we're on the subject of statistics, here are a few more about John Gunther and his books. More than 1,250,000 copies have been sold of his three "inside" books—"Inside Europe," "Inside Asia," and "Inside Latin America." All three were distributed by the Book-of-the-Month Club, the first two as book-dividends given away to members, the last as a recent book-of-the-month.

"Inside Europe" and "Inside Asia" were translated into sixteen different languages, and in England they enjoyed a wider distribution than any American book, since Mark Twain.

To gather material for "Inside Latin America," which is still riding high on all the best-seller lists, Mr. Gunther flew some 18,000 miles, talked with seventeen of the twenty heads of states, eighteen of the twenty foreign ministers.

With all the excitement there was in Hawaii on December 7th, there were at least three people who had no idea anything out of the ordinary had occurred, says Blake Clark, ex-professor of English in Hawaii, in his book, "Remember Pearl Harbor!" One of these was the artist wife of a Navy officer who painted the day through and who thought the bombs and guns she heard were part of the regular army manoeuvres. The other two were spinster ladies living in a secluded palm grove in Waikiki. The nephew of these ladies, Harlan Reynolds, a resident of New York, heard the news over the radio, and promptly cabled them: "DEEPEST SYMPATHY DEAR AUNTS PLEASE COME HOME IMMEDIATELY." The women, upon receiving the cable, looked at each other in bewilderment. "What in the world is the matter with Harlan?" they said.

In the army, words often aren't what they seem, Colonel Elbridge Colby points out in his dictionary, "Army Talk." For instance, "bubble dancing" has nothing to do with chorus girls. It's the soldiers' term for washing dishes. An "angel's whisper" applies to bugle calls for air service. The old familiar "canned cow," applying to condensed milk, has been changed to "armored cow."

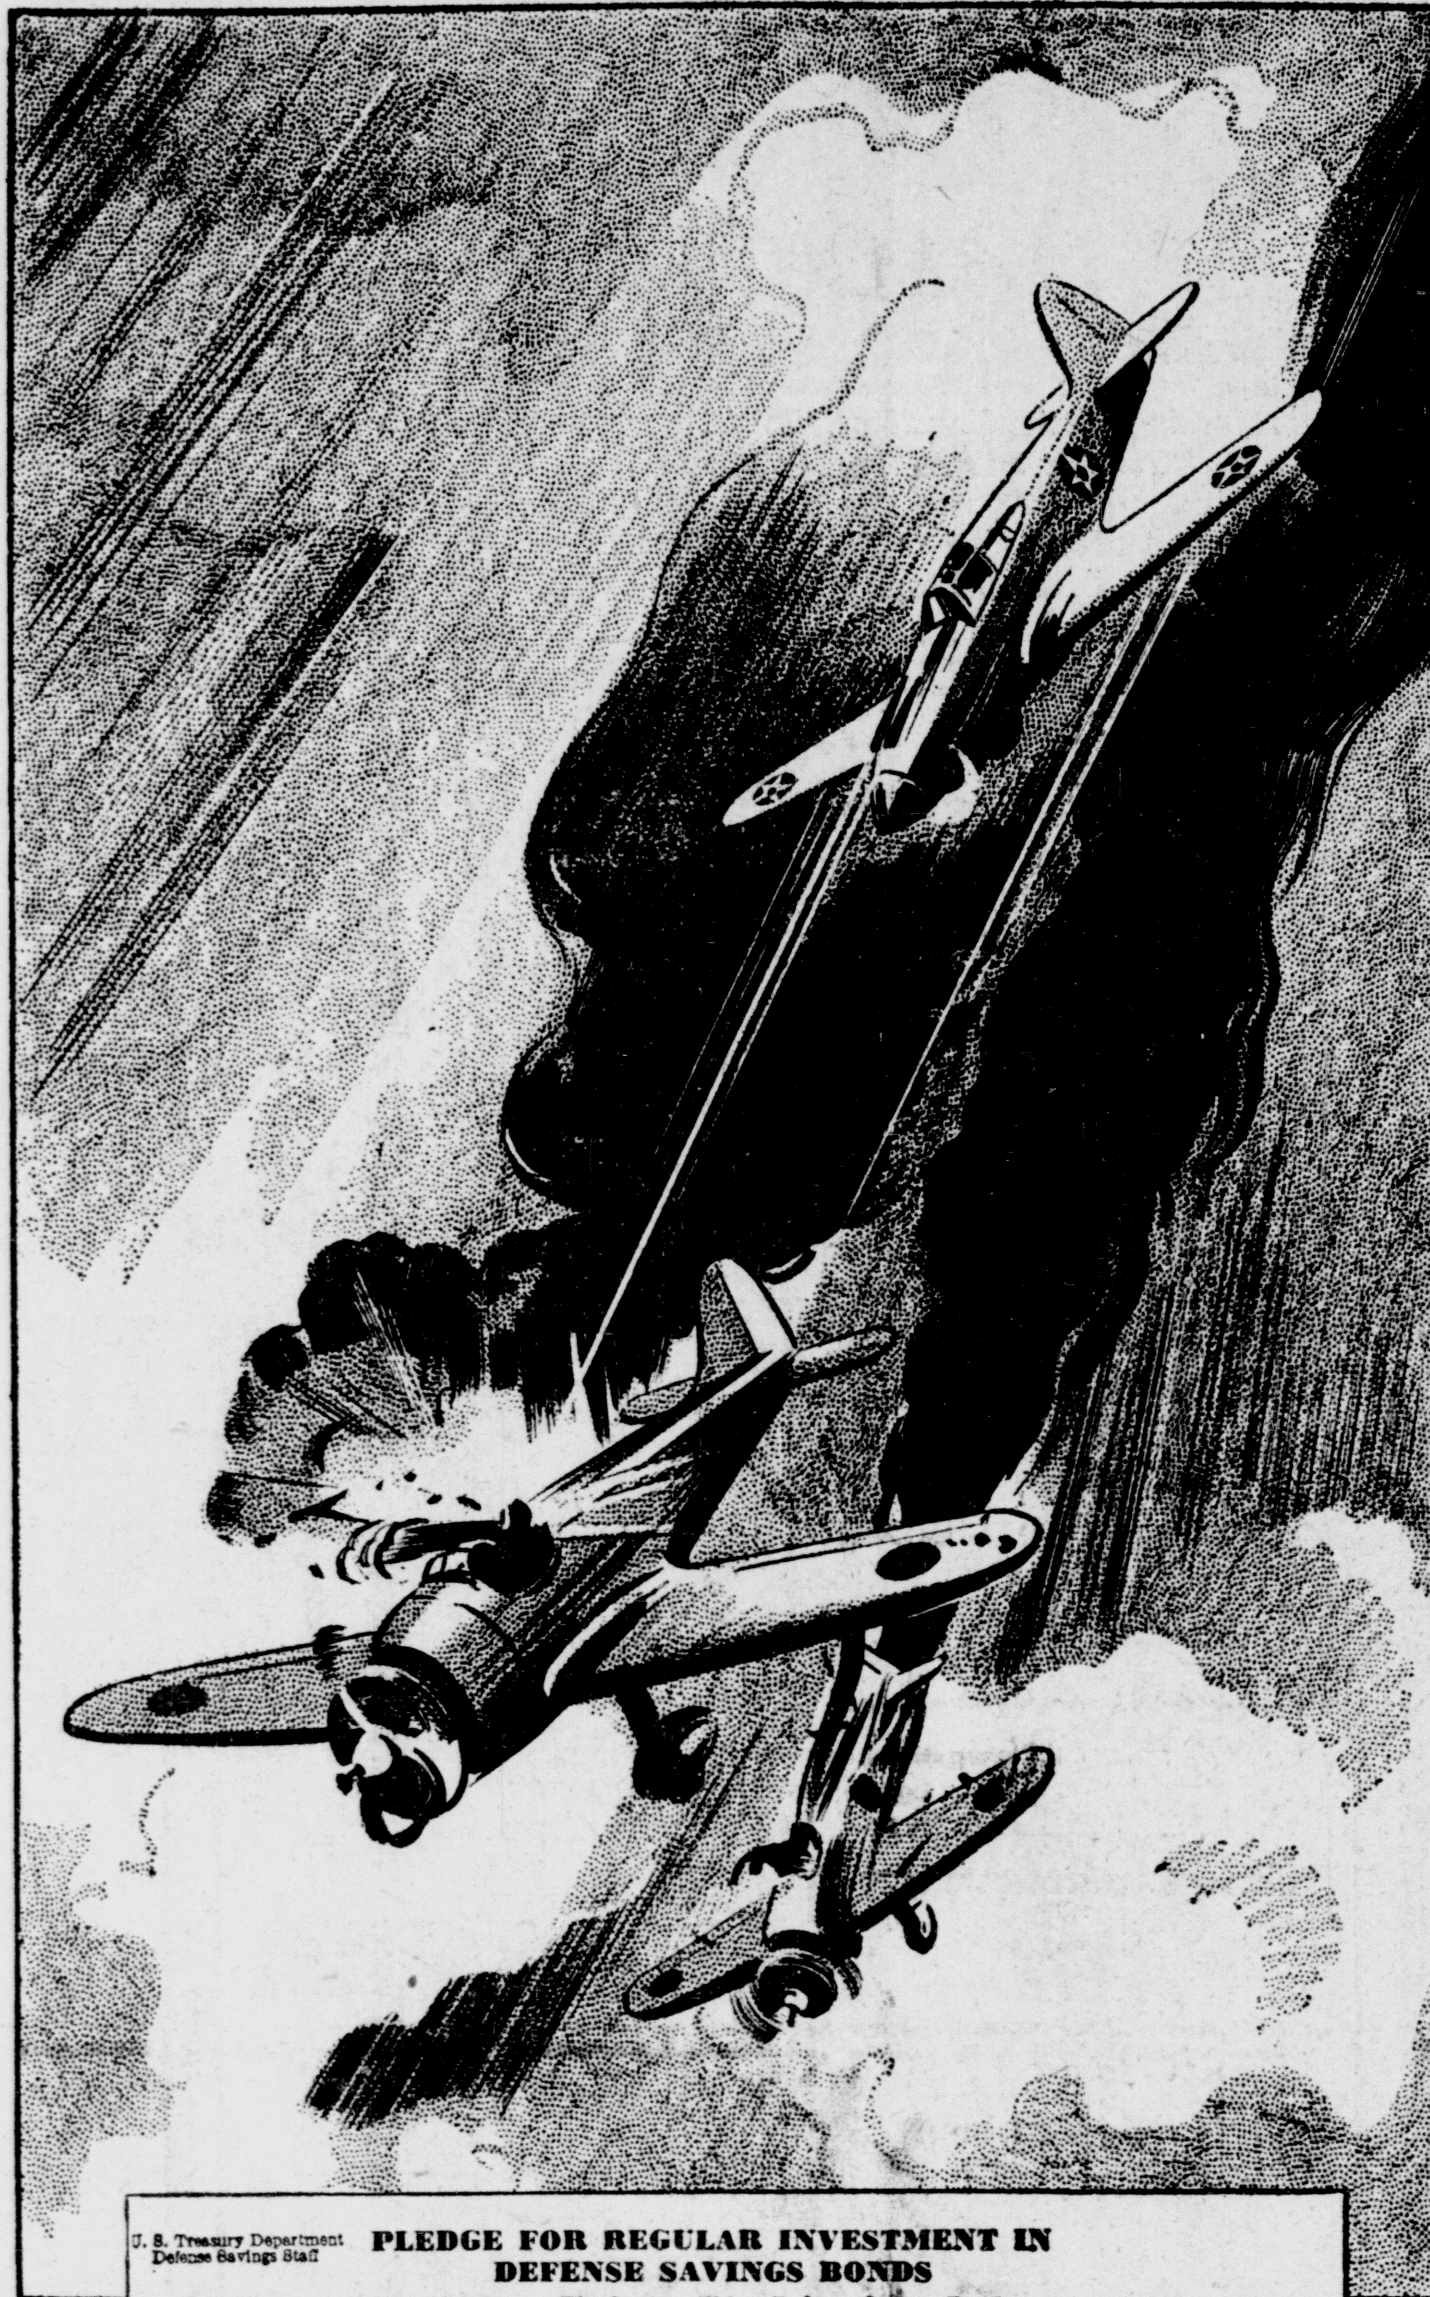

One million books for the Victory Book Campaign is the goal the Book-of-the-Month Club has asked its more than five hundred thousand members to set for themselves. Each member is being asked to contribute at least two books to the men in the service. The Club itself has already given 636 full yearly subscriptions to the Army.

War Bond PLEDGE

DRIVE

In Illinois
Starts Monday
MAY 11TH

Minute Men Will Call On Every Home In Illinois
During This Great PLEDGE DRIVE! Not One Home
Will Be Missed! Be Ready To Pledge Yourself To
Buy War Bonds Regularly!

THE MINUTE MAN who will call on you for your pledge during Illinois' great three-day War Bond Pledge Drive is one of a huge army of volunteer workers who are giving their time and effort to help raise money for their country... your country. They will call on every single home in Illinois. Not one home... not one person who receives or can earn an income of any kind... will be overlooked.

So be ready when the Minute Man calls. Be ready to pledge as much as you can afford out of your income—regularly. Talk this over—right now—with your whole family, and decide how much you can put into War Bonds every payday. Remember, a minimum of 10 per cent of your income is needed.

Pledge Is Confidential

As you can see when you read the pledge, the information you give is strictly confidential. It is not an order. It is not a contract. It is a voluntary expression on your part of your willingness to let the United States have a part of your income for a short time, repayable with interest. If you are already buying War Bonds, sign the pledge showing you are buying on a Pay Roll Savings or other plan, because the U. S. Treasury Department needs to know exactly how much money it can depend on borrowing every week, every month, every year, from you and millions of other patriotic Americans.

Best Investment In The World

When you buy War Bonds you are not giving anything to anybody. You are making the best and most patriotic investment in the world. One that is guaranteed—both principal and interest—by all the resources of the United States government.

Same Bonds—Only The Name Has Changed

Before Pearl Harbor these bonds were called Defense Bonds. Now they are War Bonds—technically, U. S. War Savings Bonds. The Secretary of the Treasury has stated that our vast needs for armament indicate that every wage-earner, every business man, every farmer, every professional man, everyone who receives or can earn income of any kind should put at least 10 per cent of that income into War Bonds.

That may be easy for some; it may mean sacrifices for others.

But our fighting men are making sacrifices every day—often for lack of equipment these bonds would buy.

We've all had to do without certain things the last few months—things people in other countries have never had. But there's one thing sure we can't do without—Victory.

Remember that when the Minute Man knocks on your door to get your pledge.

Be ready.

Sign the pledge—and pledge plenty!

Look at the pledge, above. Study it. It is a copy of the pledge you will be asked to sign during the War Bond Pledge Drive which starts in Illinois Monday, May 11. America's Fighting Men Have Pledged Their Lives For You! Pledge At Least 10 Per Cent Of Your Income For Them!

Art institute lecture series

Announcing two series of public lectures to be given at the Art Institute of Chicago.

World War II: The opposing armies by Hugh M. Cole, Department of History and Institute of Military Studies, Tuesdays, 6:45 to 7:45 p. m.

May 12—Armed Forces of the U.S.S.R.

May 19—Armed Forces of Germany.

May 26—Armed Forces of the British Empire.

June 2—Armed Forces of China.

June 9—Armed Forces of Japan.

United States—Japanese Relations before Pearl Harbor by Donald F. Lach, Department of History, Fridays, 6:45 to 7:45 p. m.

May 15—The Opening of Japan.

May 22—The Era of Good Feeling.

May 29—Japan Becomes a World Power.

June 5—Tensions in United States-Japanese Relations.

June 12—The Prelude to War.

Series of five lectures, \$1.50 (plus 15c federal tax). Single admission, 50c (plus 5c federal tax). Tickets on sale at University College, 18 S. Michigan ave., room 1100.

PETITION FOR SUPPORT DENIED

In county court at Waukegan Mrs. Mary Bartling, of Highland Park, petitioned for support money from her three daughters, Mrs. Charles Goodroe, Highland Park; Mrs. Laura Kieser, of Wheeling; and Mrs. John Loesch, of Prairie View. However, testimony showed she had over \$2,000 in a savings bank, therefore the judge dismissed her petition.

Marriage licenses

Licensed in Chicago: Joseph G. Demtke, 22, Des Plaines, and Anne Gignales, 27, Westmont.

Nick DeVries, 24, Chicago, Grace Folkers, 23, Bensenville.

Howard M. Landwehr, 24, Northbrook, Carolyn Anderson, 20, Mattoon.

Theodore W. Sjolin, 49, Chicago, Agnes Agnell, 41, Skokie.

Howard W. Griestach, 22, Maywood, Dorothy Hanauer, 21, Arlington Heights.

William H. Branlage, 47, Chicago, and Cesera Edwards, 35, Glenview.

Ralph J. Wevers, Evanston, and Barbara Mearns, 30, Northbrook.

Robert Mooney, Jr., 27, Chicago, and Elaine Snyder, 20, Skokie.

BARTLETT YOUTH ENROLLS FOR U. S. AT GREAT LAKES

George Mark Bender, 26, son of Mr. and Mrs. C. L. Bender, R. R. 1, Bartlett, has been received at the U. S. Naval Training Station at Great Lakes and will undergo weeks intensive training in the fundamentals of seamanship. Upon completion of this training and upon the basis of aptitude tests, he may receive further specialized instruction at one of the Navy's numerous trade and service schools, or be sent directly to sea for service afloat.

SUES FOR \$10,000

William L. Raffel has sued Henry G. Ross for \$25,000 for injuries and damage to his car as a result of a collision of their cars Nov. 2 at Northwest Highway and Potter road.

All aliens subject to draft

All aliens, regardless of whether or not they have declared their intention to become American citizens are eligible for call to military service except under certain specified conditions, it was announced this week by Col Paul G. Armstrong, Illinois Director of Selective Service.

While any alien is eligible, Colonel Armstrong explained, it is necessary that the Army or Navy pass on such alien's acceptability to the particular service before he can be inducted. For the present, only the Army is accepting men inducted through Selective Service.

The only aliens who can be relieved from military duty are those citizens of neutral countries which are not actively engaged in this world war. Such neutral aliens can obtain exemption only by request and, by making such request, they give up all privilege of ever becoming an American citizen.

3-A Officer Candidates Can Now Apply At Draft Boards

Selective service registrants who are now classified in 3-A, or who are entitled to such classification, may now apply to their respective draft boards for acceptance as volunteer candidates for commissions in the United States Army.

Applicants must be American citizens of good reputation and must possess the necessary physical and mental qualifications; they must secure the consent of all dependents 18 years old or over; they must be able to maintain their dependents independent of the usual enlisted man's pay in the Army for a period of from six to nine months.

Men who are at present in Class 3-A, but whose status indicates a reclassification to 1-A are not eligible to apply as a volunteer officer candidate.

Dedicate new mission seminary at Geneva May 31

The new Mission Seminary of the Missionaries of the Sacred Heart at Geneva will be dedicated by His Excellency, the Most Reverend Edward F. Hoban, Bishop of Rockford, on Sunday, May 31, at 3 o'clock in the afternoon.

The seminary will serve primarily the education of priests for foreign mission work.

The new seminary will give young men the opportunity to study for the priesthood at a very moderate cost; some scholarships and private contributions provide for entirely free educations.

STATE POLICEMAN ESCORTS PRINCE OLAF, LANDS IN DITCH

State patrolman Peter Peradotti lost control of his car Saturday afternoon while escorting Prince Olaf of Norway along rte. 41 between Tower and Willow rds. and suffered some injury. The patrol car went into the ditch, Peradotti suffering a broken wrist and bruised shoulder and collar bone.

COUNTY TRUCK HIT WHILE MAKING TURN

A county truck being driven by William Magoon of Des Plaines was struck by another auto Saturday evening at the junction of Milwaukee ave. and Ballard rd. Magoon made a left turn.

Both vehicles were traveling north on Milwaukee ave. when the collision occurred. Neither Magoon, nor Henry Koehn of Chicago, driver of the other auto, were injured.

ARLINGTON HEIGHTS

Accordion and guitar concert at Des Plaines Friday

The Northwestern Guitar and Accordion clubs annual Spring concert will be held this Friday evening, May 8, at the Rand Park Field House in Des Plaines. Starting promptly at 8:00 p. m. it will feature about seventy musicians, many of them from Arlington Heights. There is no regular admission charge this year but donations are accepted to help defray expenses.

Features of the show, as usual, are the thirty-six piece accordion band and the twenty-four piece string orchestra; both of these groups may be slightly larger as the program is not yet complete.

Outstanding among the smaller acts will be the accordion duet by Lillian Heuer, Palatine, and Grace Des Plaines; the accordion quartet featuring Dave Eberhardt and Kenneth Zaeher of Park Ridge and Wayne Kruse and Howard Sporleder of Mount Prospect; the accordion, banjo, electric guitar trio composed of Gordon and Wallace Winkelman and Ray Gaitseh; and fourteen other groups equally as good that we haven't room to list here.

Following the program will be a social hour designed to give parents and friends as well as performers a chance to get acquainted; barbecues and coffee and other refreshments will be served.

PALATINE HOSPITAL NOTES

Mrs. Clara Wienecke, Palatine, underwent a major operation May 2.

Mrs. Arlene Fehl, Chicago, underwent a major operation May 4.

Mrs. Henry Mensching of Mt. Prospect, underwent a major operation May 5.

Mrs. Elizabeth Thies of Des Plaines R.F.D. is receiving treatment at the hospital for a severe burn.

CAR TIPS OVER AT HIGGINS, MANNHEIM

One car tipped over but no injury resulted Sunday afternoon in a collision at the junction of Higgins and Mannheim rds.

William Numann of Carpentersville and Thomas Arden of Chicago were the two motorists, the car of the former being tipped over. The auto was righted and the two drivers continued on their way.

PALATINE MOTORIST IN COLLISION

Lambert Brzostowski of Palatine was in a collision Friday night at the junction of Milwaukee ave. and Ballard rd. but was unhurt. The Palatine man had turned across Milwaukee ave. when he was hit by Ralph Minto, Chicago, northbound. Neither driver was injured.

Construction Co. gives athletic equipment to navy

"Not so good," a small group of construction workers remarked when they saw sailors pitching horseshoes fashioned out of reinforcing rods and playing catch with "bandage" baseballs.

So they decided to do something about it. Nothing big was in their plans — just the collection of a few dollars to buy some balls, bats and other equipment.

That was the birth of a project which culminated when about 1,000 workmen with the George Sellitt Construction Company and its subcontractors, builders of new hospital units at the U. S. Naval Training Station at Great Lakes, presented \$1,500 worth of athletic equipment to about 1,000 sailors studying in the Hospital Corps school.

Many of these workmen are from this locality.

SUES FOR DIVORCE

Mildred Schmidt has filed suit for separate maintenance in Superior court against Erich P. Schmidt. She charges him with habitual drunkenness and refusal to support his family comprising three children. They married here in 1925 and own a home at 7819 Kilbourne ave., Skokie. She alleges he put her out of their home April 20 compelling her to go and live with her mother.

Pedestrian struck on Dempster road

Harry Wheeler of Rochester, N. Y., and bound for California was struck by an auto Friday night while walking along Dempster road near Greenwood, necessitating hospitalization.

Albin Syc, Chicago, was the driver moving east on Dempster when he observed the man walking on the highway. He swerved to hit the victim. Stopping immediately Syc took the injured man to the county police station and then to Northwestern hospital in Des Plaines where he was given first aid.

The injured man was then transferred to the county hospital in Chicago.

Wills Filed

ROSELLE

Albert Arndt died intestate in Chicago April 10, leaving an estate estimated by Probate Clerk Frank Lyman at \$8,000. His heirs are two sons, two daughters, and three granddaughters. A son, Otto Arndt, lives in Skokie. All the granddaughters live in Roselle, being, Leona Zischke, Myrtle Lantz and Adeline DeVought.

SUE SKOKIE FOR BOND INTEREST

Woodruff & Edwards and numerous other owners of special assessment bonds have sued the village of Skokie in Superior court to recover money alleged to be due them on bonds and interest and for which payments have been made by the village but not passed on to the bondholders.

SUES FOR DAMAGES

May Aldvazal has sued J. M. Junge for \$15,000 damages for injuries she says she sustained thru a car she was riding in being run into by Junge's car March 13. She says she was riding on Mannheim rd. near Fullerton ave. and Junge was driving behind, but was so reckless he hit the car she was in injuring her.

Autoist strikes tree blown across road

A fallen tree, a victim of last Friday's wind storm, proved too much of an obstacle for one motorist on Gifford rd., just south of rte. 20.

John Service of Elgin had been driving along Gifford road about eight in the evening when he ran into the fallen tree. Another motorist had previously just missed the tree and notified the county police. The sheriff's men arrived just as the other auto struck the obstacle. Damage was slight.

REGISTRAR SIGNS SAME MAN FOR BOTH WARS

Anton Doetsch, Skokie registrar in the fourth draft registration conducted recently, registered Emil Eggert for the second time in as many wars. The first time had been June 5, 1917, when eighty men were registered in Skokie. This time 870 grandpas signed the register.

CHILD HEALTH CONFERENCE SCHEDULE

May 6, East Maine public school, 2 to 4 p. m.
May 13, Wheeling public school, 1 to 3 p. m.
May 20, Palatine village hall, 1 to 3 p. m.
May 21, Glenview village hall, 1 to 3 p. m.
May 27, Northbrook village hall, 1 to 3 p. m.

GEMS OF THOUGHT

BEAUTY

The soul, by an instinct stronger than reason, ever associates beauty with truth.

Tuckerman.
The fountain of beauty is the heart, and every generous thought illustrates the walls of your chamber.

—Quarles.
Beauty is but the sensible image of the Infinite. Like truth and justice it lives within us; like virtue and the moral law it is a companion of the soul.

—Bancroft.
His modes declare the beauty of holiness, and His manifold wisdom shines through the visible world in glimpses of the eternal verities.

—Mary Baker Eddy.
I pray thee, O God, that I may be beautiful within.

Socrates.

Mt. Prospect bank observes 1st year of checkmaster

An announcement from William Busse, Jr., president of the Mount Prospect State Bank, calls attention to the fact that just one year ago the bank introduced the CheckMaster Plan in which anyone might have a checking account with no minimum balance ever required. CheckMaster service is available in both the main office and the branch.

"We have been gratified at the response CheckMaster has found in Mount Prospect," says Mr. Busse. "Since May 9, 1941, we have opened a substantial number of new checking accounts in our CheckMaster department, which supplements our other checking account facilities."

"Our CheckMaster depositors come from every walk of life, and we regard them as valued customers of our institution. We know that they have found their accounts most useful; and those who never had a checking account before have learned how indispensable one is in the modern world of today."

"The Mount Prospect State Bank has always been glad to widen the circle of its service whenever the opportunity offered. We were, of course, well aware of the necessity for the average man and woman to have a checking account, and we were indeed pleased to make checking facilities available to practically anyone in the community through CheckMaster."

CheckMaster was America's first and original no minimum balance checking account plan. In CheckMaster, a checking account may be opened with an initial deposit of any amount, even as little as \$1, the depositor paying only 5c for each check drawn and each item deposited. CheckMaster books are free.

The Mount Prospect State Bank is a member of the Federal Deposit Insurance Corporation with each account insured up to \$5,000. The bank was founded 31 years ago and has resources now in excess of \$1,100,000.

TECHNY AUTOIST HITS DITCH WHEN BLINDED BY LIGHTS

Albin Oatman of Techny landed in the ditch when lights of an approaching auto blinded him along rte. 42-A at Techny. He was unhurt.

Concordia glee club concert at Heights May 10

The Concordia Teachers College Glee Club has made arrangements to appear in concert at St. Peter Lutheran School Auditorium on Sunday, May 10th, 8 p. m. The group comprises 30 lusty singers of the high school department and is directed by Mr. Lawrence Blecke. The program consists of sacred and secular music by famous composers as Bach, Palestrina, Grieg and De Lasso. Solo parts in the program will be sung by Edgar Potratz and Carl Rogahn. Two piano selections are also included in the program. These will be played by Alfred Gras.

The Concordia Glee club has made its appearance in various Lutheran centers through the state during the past four weeks for the purpose of collecting funds for the library expansion program of the institution. A minimum of \$15,000.00 is needed to complete the project. It is hoped that friends of the institution and the general public will turn out in large numbers Sunday evening.

Drive-in theater opens May 7

Introducing a new marvel of science originated for show business, the Drive-In Theatre, at Waukegan and Golf Roads, will open for the season on Thursday, May 7.

The new development is an individual radio-type speaker for each car. Originated by R. C. A., this is the first time these particular speakers, which are connected directly with the projection room, have been used in an outdoor theatre. They will allow each patron to tune in the volume to suit individual tastes. The new equipment brings a fidelity of sound of advance as talking pictures were over the old silent films. It is claimed this sound compares favorably with the new frequency modulation in radio.

The Drive-In Theatre is also in the hands of landscape gardeners, so as to make the popular north side outdoor place of amusement, a garden spot.

The theatre will conform with last year's policy of two changes of pictures per week, with a mid-night show every Friday and Saturday. New and elaborate refreshment facilities have been added.

CASH

Loans \$30 to \$300

Pay your bills as you go along and avoid credit difficulties later. Are your taxes paid? Have you bought your next winter's coal? Are you keeping your car in good repair?

THE HOME FRONT

Not only in Illinois, but across the Home Front of the nation swept the most momentous and far-reaching administrative act in American economic history last week as the General Maximum Price regulation — or universal price ceiling — was announced by Price Administrator Leon Henderson.

Why? Uncle Sam paid 31 billion dollars in the first World War to crush German imperialism. Thirteen and a half billions of that, it has been estimated, was wasted on swollen prices — never went to hold a line or storm a trench. That was inflation, old style.

Already in this war advancing prices have padded the bill by 35 billions, or more than the total cost of the last war. At the rate prices were mounting they would have increased the war cost by two and a half billions every month that went by, two and a half billions that would have bought 25,000 pursuit planes, 35,000 medium tanks or 1,500,000 heavy machine guns. And the cost of living was going up steadily.

In general, how do these orders affect the Home Front?

1. Beginning May 18, most retail prices of almost everything we eat, wear or use, must not exceed the highest levels which every individual seller charged during March, 1942.

2. Beginning May 11, manufacturer and wholesale prices must not exceed the highest March levels for each seller.

3. Beginning July 1, no one may charge more for retail services in connection with a commodity than he charged in March. Included are such services as laundering, cleaning and repairs.

4. Dwelling rentals are fixed at pre-inflation rates in specified areas.

Other Home Front developments:

The War Production Board has urged American women to aim their lipstick containers at the enemy. That is, to save for refill or reclamation the bottles, jars and tubes in which they buy packaged glamor. No shortage of glamor is anticipated, but metal containers are something else.

Scrap of information—In a two week experimental salvage survey of 250 Chicago business buildings a six man inspection crew located 1,398,310 pounds of scrap metal.

The prices Illinois farmers pay for mixed fertilizer, superphosphate and potash will be stabilized at levels in effect in February, 1942. The length and thickness of hair pins and bobbypins has been regulated to conserve metal.

Sewing machine production ceases June 15. Coffee deliveries from roasters to wholesalers has been cut 25 per cent. A 50 ton advertising sign, one of Chicago's largest, has been offered for industrial salvage by a fraternal society which owns the property.

New tires no longer are available for List A users (doctors, municipal vehicles, etc.) when the used tire can be recapped.

Knothole Brigade Gets Priority

The sweet smell of spring not only inspires romance but stimulates thoughts of lawn mowers, housecleaning, Victory Gardens and the many chores which are the customary accumulation of winter. Odd repair jobs about the house clamor for attention. With this in mind, a Congressional secretary

inventoried his store of household tools and gadgets preparatory to making a heroic assault on the work which had accumulated around the family menage in the nation's capital and discovered that he needed a bit for his brace when with to bore a hole. Thereupon he took himself to a local hardware store and was advised that the desired bit was in stock but that it was under a priority which required that he state the purpose for which the bit was being purchased. A proper blank was presented to him for this purpose and he gave the matter brief and thorough study. After due deliberation he wrote "Bit to be used to bore a hole through a fence around Griffith Stadium." The clerk was satisfied, the bit was surrendered and all parties to the transaction were happy. Of course the pun in this incident lies in the fact that Griffith Stadium is the American League Baseball park. Thus it appears that the knothole Brigade gets priority.

40-Hour Week Bill

The Naval Affairs Committee after extensive hearings decided to "table" the proposal of Chairman Vinson of that committee to amend existing law to provide for a 40-hour week instead of a 40-hour week. The decision of the committee to take this action was no doubt partially prompted by the fact that under the Walsh-Healey Act which provides standards governing government contracts and under the first Lend-Lease Act, the President was given authority to suspend the 40-hour week provision of existing law when "in his judgment such course is in the public interest."

Gasoline Rationing

In the light of the present squabble between Mr. Henderson and Mr. Ickes as to the amount of gasoline available for motorists, one should not lose sight of the fact that the rationing power is in the hands of Mr. Henderson and not Mr. Ickes. Mr. Ickes might believe the gasoline to be available but Mr. Henderson will determine the amount that each person will receive. There is a quite definite sentiment in the Office of Price Administration that the rationing of gasoline is the only effective device that have available to prolong the life of our rubber tires. Obviously they will last longer if they are not used. One may then ask why not ration gasoline through the country? The answer will be made that it is being carried on in the 17 Eastern States on an experimental basis to determine the amount of gasoline that shall be available to the rest of the country. The use of gasoline rationing as a device for maintaining our supply of rubber tires ought to be carefully studied.

Frozen Mark-up

The "time lag" between wholesale and retail prices is what will cause most of the consternation and hardship retailers will experience under the OPA general price regulation order. Example: In March—the month whose price is used as the limit in future prices—a haberdasher was selling a certain shirt for \$1.50, having bought them for \$1.2 a dozen, wholesale. Now he has to keep on selling the same shirt at \$1.50, although in the meantime the wholesale price has gone up to \$1.6 a dozen. Multiply that circumstance by just about every item that a store carries and you can begin to imagine the scope of adjustments and retrenchments that the over-all price ceiling makes necessary. Despite the severity of the pinch, the order was generally received without grumbling—a tribute to the country's appreciation of the need for checking the Cost-of-living spiral.

Suggestion Speed-up

America's workers want to step

News of Yesterday...

FRIDAY, MAY 6, 1927

Bensenville

Mrs. John Plum visited friends in Mannheim Tuesday evening.

Mrs. Joe Bodenberger, who has been confined to her home by an attack of rheumatism, is somewhat improved.

Mr. and Mrs. George Franzen returned from California Monday and report having had an enjoyable trip.

Mrs. Wm. Peck, who was recently called to Pittsburg, Kansas, on account of the illness of her mother, has returned home and we are glad to report that her mother is somewhat improved.

East Maine

Mr. John F. Kruse, accompanied by a friend, went south several days ago to inspect his farm in Texas.

Mr. and Mrs. George Engel entertained about 60 relatives and friends April 28 in honor of their tenth wedding anniversary.

A crowd of East Mainites helped their friend, Mrs. Kate Beto, celebrate her 74th birthday anniversary at her home in Park Ridge Saturday evening, April 30.

Martha Schaefer was operated on for appendicitis at the Wesley hospital Tuesday morning.

Roselle

The N. A. S. club met at the home of Julius Abel on Thursday evening.

Mr. and Mrs. Edward Pohlman were Sunday guests at the Lundien home in Chicago.

On Monday evening Mrs. Philip Bender was hostess to the S. G. club.

Rev. and Mrs. Naus are the proud parents of a baby girl born Tuesday evening, April 26.

Palatine

Mr. and Mrs. J. A. Burlingame have returned to Palatine from Florida.

Mrs. Joseph Timmerman is still on the sick list.

Sim Snyder of Canada was a visitor at the Wm. Wilson and H. H. Pahlman homes this week.

John Seip of Des Plaines will return to Palatine; he will manage the Rex service station which opens Saturday.

Mrs. Carl Tamm, nee Esther Schering, is visiting her parents.

Mrs. Ed. Schmidt entertained a number of friends at dinner Wednesday evening.

Mr. and Mrs. James C. Larson of the McIntosh Co., formerly of Plum Grove, have moved into the Schrader flat, vacated by Mrs. Bela.

Mrs. Flora Joiner is caring for Mrs. Garland at Arlington Heights.

Miss Amelia Marie Fischer died at the home of her mother, Mrs. Herman Fischer in Palatine, April 29 after an acute illness of six weeks.

Mrs. Martha Hahnfeldt Meyer gave a shower in honor of Miss Faye Klehm, April 28.

Mr. and Mrs. W. L. Tuegel will leave Arlington Heights, their home for the past seven years, next week for their former home, New Meridian in Washington county, Illinois.

Mrs. P. Gorsuch is in Beloit spending some time visiting relatives and friends.

Mr. and Mrs. Verne Wayman moved into their new home on Wing st. first of the week.

Mr. Charles Scherf was at home from his sales route over the weekend.

Mrs. Krefl is planning to spend Mother's day with her son, Harold, who is in the state university at Champaign where they always celebrate the day with special programs.

The new second pastor of St. Peters church, Rev. Fricke, and his family are to occupy one of the pretty homes in the east subdivision.

Miss Virginia Farrell and Mr. Thurman Dodge were married at the St. James parish house Tuesday evening, May 3.

Things To Watch For

Removable wooden wheels on 1943 auto trailers. Window screens woven from nylon (after the war) instead of copper.

Weston Smith of Financial World, reporting on new wrinkles, says an inventor has been granted a patent for making women's full-fashioned stockings with the seam in front instead of in back—it's claimed to have a slenderizing effect and be easier to keep seams straight, but sounds as though it'd be pretty hard to get used to.

A bicycle with spring-driven motor wound up by cranking the pedals, and equipped with three speeds. A combination first aid kit and automatic pencil—the barrel of the pencil containing iodine, bandage, tweezers.

FRIDAY, MAY 3, 1912

Arlington Heights

Mrs. Wm. Kumpf enjoyed a visit from her sister last week.

Mrs. John Sebastian and children have moved to Des Plaines.

Mr. Fred Luehring died at the county hospital April 24.

Miss Belle Wayman of Des Plaines visited her parents several days last week.

Rev. and Mrs. Hawks and sister, Miss Ida, left Tuesday for Newport, Oregon.

Henry Mueller and wife celebrated their 7th wedding anniversary Friday, April 26.

Mrs. D. B. Parker returned to the Heights last week after spending the winter with her children in Chicago.

John Dravis died Sunday at a Chicago hospital and the funeral was held Wednesday from the home of Mrs. Louis Meyer.

Miss Sophie Pohlman and Mr. John Kahling were married Saturday evening, April 27, at the home of Rev. Noack.

Palatine

The large barn and residence on the Boss Stock farm known as the "Flag Farm," west of Palatine, were destroyed by fire at 2 o'clock Saturday morning.

Henry Heide spent Sunday in Harvard.

Fred Theis has moved into the Gaertner place.

Ward Nichols is visiting his uncle, J. A. Burlingame.

Anton Zulesdorf has moved into the Dahl place on Benton st.

Miss Cora Foreman visited her brother, John, at Popular Grove over Sunday.

William Godknecht is enjoying his vacation in the neighborhood of Denver, Colo.

Robert and Roy Bennett have returned from Kansas where they have been several months.

Mrs. Mary Foskett has returned to Palatine for the summer after spending the winter in Chicago.

Misses Vashli Lambert and Adelia Smith are enjoying one week's vacation as this is the annual spring vacation in Chicago schools.

Prof. M. L. Smyser will not be at the head of the Palatine school next year.

Word comes from Alabama that Tom C. Hart has been appointed as state delegate to the Southern Sociological Congress to be held next week in Nashville, Tenn.

Itasca

Mrs. E. D. Jacobus entertained relatives from Chicago last week.

Miss Jeannette Lawrence enjoyed a pleasant visit with Wheaton friends last week.

Yu Know club was pleasantly entertained at the home of the Misses Wischstadt Thursday evening.

Elmer and Arthur Franzen of the Elgin Academy baseball team went to Elgin Saturday to play against the Franklin Association team.

Roselle

Wm. Benhart has opened his ice cream parlor for the summer.

A baby boy arrived at the home of Henry Siemes, Jr. April 24.

Mr. and Mrs. W. Bokelman entertained company from Beecher Sunday.

Mr. and Mrs. Henry Hitzeman entertained a number of friends from Schaumburg and Elgin, Sunday.

Bensenville

Harry Volberding was home from Chicago Sunday.

Fred Wall has returned home from North Dakota.

Miss Sophie Wolf visited her sister in Wood Dale Sunday.

Mrs. Henry Landmeier visited relatives at Arlington Heights last week.

A pretty and quiet wedding took place Easter Sunday, April 7, when Mr. Herman Dierking and Miss Edna Munstermann were united in marriage by Rev. Geo. Bohn at St. John's Evangelical church.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Another spring rally is history, even though we are losing so many of our vital boys.

The main item of the rally was, of course, Rev. "A. R.'s" address on "Prayer, Study, Action" in which he pointed out that we cannot be successful unless we have each one of these; that we have been dreaming for so long and now it is time to wake up; we have been resentful of any request for monies to carry out the mission command

of our Lord, but now we will be forced to give a certain percentage to help destroy mankind. This address is one that should and will remain in the hearts and minds of those attending.

And then the meal, by the looks of things everyone enjoyed that, too, what with all the noise and racket at the tables.

Everyone enjoyed the two pianists from Concordia, Ken and Herb's duet, the quintette, the entertaining magician, and the uproarious play. All in all, everything turned out very well, and all those who had a part in it are to be congratulated and thanked.

The next thing on the league program is the District Talent Festival at Concordia College on May 16 and 17. Quite a number of our zone people are taking part in it so we have a right to expect that a large number of our people will attend. See your pastor or society president for a complete schedule.

LIFE WITH MOTHER

April 30, 1942.

Dear Eleanor,

How long has it been since you went to a circus? I'll venture to say, it's probably been years. It was for me, until last week when we celebrated Jack's fourteenth birthday by attending the present show at the Stadium. Rob said he felt Jack was deserving of a special treat since he has been such a willing helper in getting the garden planted and such an able assistant to his father in putting up the chicken fence. Rob got tickets for all of us with the exception of Bobby, who politely declined saying, "such entertainment is juvenile."

Ah, me, this adolescent age! My, we did have fun! Edward and I drove in to school and picked Jack and George up after lunch and then continued on down to Rob's office, arriving there at one-thirty. In spite of living in the country and seldom getting into town, I am not at all nervous when I drive in to the loop. I find the heavy and speedy traffic through Lincoln Park quite exhilarating and I don't find the new park system the labyrinth most people say it is. Though, if I had to drive through it every day of the week, perhaps it would not be such a pleasant adventure.

Rob took the wheel from his office to the Stadium and luckily found convenient parking near the entrance. The children were so excited and got out of the car as soon as possible. The usual swarm of vendors ran up to us waving flags, whips and bags of peanuts. Edward was all eyes...

...he didn't look where he was stepping and as a consequence fell to the sidewalk... flat on the front of his new knitted suit. So, the best supervised block in Chi-

ago, for Dave is most conscientious about anything he undertakes to do. If you have neighbors who can be likened to those in the Gasoline Alley cartoon, you can consider yourselves fortunate. For, if ever there was a more cooperative and lovable group, I'd like to have known them. That cartoon has been my favorite one from the start. It is so human, natural and best of all... clean. For the life of me, I can't understand why most of the others are printed. Especially, those in the Sunday editions. As far as the comic books, I don't permit our boys to read them. Have you ever glanced over any of them? If you haven't, you're in for a surprise and not a very nice one.

Here's a synopsis of the latest happenings at Hill Top: Rob was out and in the field at six o'clock this morning to plant some vegetable seeds... carrots, beets and onions. Boy attended the Goodman Theatre last week (with some members of his English class) and saw Romeo and Juliet. I asked him if he enjoyed it. He replied, "No, but the bus ride was fine." Do you suppose he can remain on the Honor Roll with such a lack of literary appreciation? Jack finally produced a wren house that he made in the manual training class. I gave him

the plans last Fall, (cut out of the American Home Magazine), fully expecting to see the finished product hanging in the apple tree in plenty of time to attract the first wrens this Spring. May-be, it's too late now. But, wrens love color and this house is bright red.

George's teacher is worried over his conduct in school. I've had several notes from her recently. Finally, I went to see her at her request. It seems he didn't hand in his "milk money" last week, but instead, invited a friend to accompany him to the village at the noon hour, make a visit to the dime store and purchase whistles, toy automobiles and paper tablets. He talks in the classroom as if he isn't supposed to, doesn't keep his shoes laced, his hair combed or his clothes in order and likes to make drawings all over his books. His spelling is atrocious, though he reads well. He makes up fabulous tales about what we do here on the farm, (so you see, it may be possible for parents to go too far in encouraging an imagination in their children). Father and I have had to have some serious talks with son George. He promises to attend strictly to business in the future and says he will never leave the school grounds again without permission.

Edward and MacDuff, I'm sorry to report, are not on the best of terms at the present. Edward has taken to throwing sticks and stones at the dog and Mac, never has feeling the weight of his middle years, (he'll be five on May the third) resents this treat-

ment and growls in return. This necessitates close watching on my part. I don't believe MacDuff would bite Edward or anyone for that matter, but one has to be on the alert. I told Edward I would use a stick on HIS legs, if I found him throwing things at the dog again. He flippantly replied, "How does it feel?" "It hurts like the very dickens," I answered. "As much as Daddy's belt?" "Oh, yes," said I, "only much more." He's apparently thinking things over, for we're having an unusually quiet morning.

Since my last letter to you, I have made some pillow covers for the porch furniture. You know how inexperienced I am at the sewing machine. Naturally, the result looks like the work of an amateur. At least, we have the satisfaction of looking at clean, colorful material. The cost was nominal as I used striped awning material purchased by the yard. Five yards of thirty inch width made three large pillows and I have some left over.

The lawn swing and two folding chairs have had their first coat of white paint. The lantern post likewise. A row of pansies nestle along the north side of the white picket border of the strawberry patch. The morning glory seeds are in on the south side of the well house and the rock garden has violet and buttercup plants and other perennials ready to blossom.

There is tremendous satisfaction in gardening, Eleanor. I hope some day you will have the time for it, because I know you would love it, as I do. Our garden is especially pleasing to us, I think, because when we look over it, we don't think of the labor involved. Rather, we think of those good friends who have helped to make it possible. We think of the hours that one friend gave us in helping to set in the lilac hedge, or of another friend who brought bulbs and plants from her garden beds. We think of the times another carried wheel barrow after wheel barrow of black soil to cover the gravel and make ready for the new flagstone walk. We think of the little old lady who gave us one friend her double hollyhocks one day last fall, just because I stopped to tell her how lovely her garden was. We think of the dear nursery man, who wouldn't sell me a cherry tree because I came too early in the season for safe transplanting, but gave me a little Chinese elm and a clump of vine shoots, so I would have something to plant that very day and therefore not be disappointed. It was Edward's third birthday and I told him, we had counted so on planting a cherry tree! "Come back later," he said. We did, and now the tree he chose for us has the loveliest blossoms imaginable. Our peonies and lilies came originally from the garden of a lovely old Irishman, who is spending the harvest time of his life among his flowers. He loves to take visitors through and, he remembers the name of every flower and bush. "Of course, I must give you some," he said, last fall. So spring is here and all our lovely garden gifts are daily reminders that "for bounty springing from the soil, for every step by beauty trod, for each dear gift of joy, thank God."

Our Want-Ad page reaches 6,000 homes

The plans last Fall, (cut out of the American Home Magazine), fully expecting to see the finished product hanging in the apple tree in plenty of time to attract the first wrens this Spring. May-be, it's too late now. But, wrens love color and this house is bright red.

Civil service examinations

Multigraph operators will be appointed to Government war jobs in Washington, D. C., and throughout the United States. Both men and women may apply under the new announcement. Pay is \$1,440 a year, although some vacancies at \$1,260 will be filled by qualified persons willing to accept the lower salary.

Employment opportunities in the Field Service, War and Navy departments, in the states of Illinois, Michigan, and Wisconsin, for the following positions which are open to both men and women:

Mechanic-Learner, for filling the positions of: Minor inspector, engineering materials (ordnance), \$1,260 a year; minor engineering aid, signal corps equipment, \$1,020 a year; minor engineering aid (trainee-inspector), ordnance, \$1,020 a year; minor and under inspector (chemical warfare materials), \$428.60 an hour.

Machine operator (trainee), \$436 a day, in the ordnance service, war department, Rock Island Arsenal, Rock Island, Ill. Armament repairman (trainee), Sixth Corps Area, States of Illinois, Michigan, and Wisconsin. For the first training period of approximately 7 months the rate of pay is \$5.92 a day, and for the second training period of approximately 5 months the rate of pay is \$6.16 a day. Persons selected will be assigned to training for the first period at Danwoody Institute, Minneapolis, Minnesota, and for the second period at Rock Island, Illinois. Transportation will be

paid to the training center at Minneapolis.

Trainee repairman, signal corps equipment, \$1,440 a year, signal corps, War department, Sixth Corps Area, comprising the states of Illinois, Michigan, and Wisconsin, which cancels and supersedes announcement No. 7-30 (1942). This examination is open to both men and women.

Applicants must have reached their 16th, but must not have passed their 50th birthday on the date of filing application. However, the maximum age limit will be waived for persons who furnish proof of honorable discharge from the armed forces.

ROSELLE BOVINE
SETS A RECORD

Alfred E. Meyer, of Roselle, owns a registered Holstein cow, Aljoan Inka Ruth, that has just completed a record of 621 pounds of butterfat from 15,220 pounds of milk. This is nearly 3½ times the production of the average dairy cow in the country, says The Holstein-Friesian Association of America.

"Ruth," as she is referred to by her milker, was 5 years old when she began her record and she was milked three times daily. The testing was under the supervision of the University of Illinois and The Holstein-Friesian Association of America.

When - where - why -
how factors of
soy production

Last-minute when - where - why - how factors of successful soybean growing to meet Illinois' 1942 2-900,000-acre war production goal, a 27 per cent boost over 1941 and largest acreage in history, were listed today by J. C. Hackleman, crops extension specialist of the University of Illinois College of Agriculture.

When - About corn-planting time or when soil has become workable and warm. Don't delay seeding too long.

Where - Any place where corn grows well, if right varieties of high germination are chosen. For northern Illinois recommended varieties are Richland, Manchou, Central Illinois varieties are Illinois, Dunfield, Richland, Chief, Manchou, and types 119 and 118. For southern Illinois, choose Chief, Mansoy, Mt. Carmel, Scioto, Macoupin and Morse.

Why - Because they're needed in large amounts—54 per cent more for the nation as a whole—to meet foreign and domestic needs for protein supplements for livestock and poultry, soybean oil to replace vegetable oils formerly imported from the Orient and for many other uses.

How - Plant 45 pounds to a bushel to the acre in rows or 1½ to 2 bushels if sowed solid like wheat, 1 inch deep in heavy and not more than 2 inches deep in light loams. In row planting, which permits cultivation, 24 to 28-inch rows get first choice. Corn on contour where soil is likely to wash. In solid seeding, clean out weeds before seeding even if planting is delayed a few days. Inoculation is necessary, especially if crop is to be grown where beans have not been grown before. Inoculation is good crop insurance in any cause and is cheap.

Further information about seedling, cultivation, harvesting and storing soybeans is available in "Soybeans, A War Crop - How To Get Top Yields," a new publication issued by the university press. It's Circular No. 527, and may be ordered as such from county farm advisers or the university.

LEGAL NOTICE

Take notice that an application for retail liquor dealers' license outside incorporated village or town in Cook county has been made by the following:

Martin & Katherine Tarr "Pal-Waukee Inn" Milwaukee avenue & Palatine roads, Wheeling Twp. Mt. Prospect, Ill.

Objections to the granting of such licenses may be made to the President of the Board of Commissioners of Cook County as Local Liquor Control Commissioner in writing and signed by the objector within five days stating specifically the grounds of objection.

CLAYTON F. SMITH,
Cook County Liquor
Control Commissioner.

Food costs still
below 1930, says
U. of I. economist

Most families already know it by now, so it's no longer a secret. They paid about a fifth more for food in March than a year ago and more than any time since 1930. However, strange as it seems, they spent less in 1941 than in any year from about the middle of World War I through 1930.

R. J. Muttli, marketing specialist of the University of Illinois College of Agriculture, explains that marketing margins—the difference between retail food cost and the amount paid farmers—changed very little in 1940 and 1941, when they were less than any year since 1933. Margins have increased slightly each month during 1942, owing largely to widening farm-retail price spreads in rice, rolled oats, beans and potatoes.

Farm prices of pork products are a higher percentage of retail prices than for any year since 1919, being 81 per cent of retail prices in February, 1942, compared to an average of 62 per cent from 1935 to 1939.

In February farm prices of dairy products were 51 per cent and eggs were 65 per cent of retail prices. Farmers received 45 and 60 per cent, respectively, of the retail values of these products from 1935 to 1939. Farm prices of all food products averaged 42 per cent of retail prices during the four-year period compared to 51 per cent this year.

Muttli explained that marketing margins were comparatively low during World War I, but they increased each year following 1917 until 1922. The tendency for margins to decrease that occurred during the period of 1938 to 1941 has been stopped, and margins will likely increase further as transportation and labor costs rise. Their effect on food costs together with the effect of rising farm prices, will be of most concern to persons whose incomes increase less rapidly than the cost of living.

IT'S THE LAW

IT'S A MATTER OF RIGHT

Whenever a Public Notice or Legal Advertisement, as it is some times called, appears in print, it means that some kind of right is involved. It may be the right of the heirs to complete the settlement of an estate, or of a business to change its name or schedule. It may also give notice of the intention to make a public improvement, or to let contracts for public works or supplies.

All in all, there are several hundred kinds of such notices. But whatever their particular nature, concern some kind of right. This may be an individual or personal right, or a right belonging to a group or, still more importantly, a public right.

Under American and English law the principle has been handed down for generations that due and ample Notice must be given before private or public rights can be disturbed, changed, impaired or destroyed. Under ordinary conditions it is doubtful if there is any exception to this rule.

Where absolutely necessary the individual affected must be given personal Notice. But where this is not required or where a general Notice is sufficient, some form of Public Notice is used. This usually appears as "legal advertising" in newspapers of general circulation. All such Notices are important both because of the principle involved and because at some time or other and in one way or another they affect almost every person in the community.

Wrong Diet Cause Deafness?

There is some evidence that general lack of vitamins is associated with deafness, according to doctors, but this is not conclusive. It is never a mistake to get a balanced, vitamin-rich diet.

Leave No Footsteps

Gailex women in Libya trail their black capes behind them to erase their footsteps so that the devil shall not follow and tempt them.

Paddock Publications — Betty Crocker Home Service Department

CHEESE IS GOOD FOR THEM

Cheese is a highly concentrated and nutritious food. To begin with it rates with meat, fish, eggs and milk as a muscle building and tissue repairing protein food. It helps promote growth. Thus we find that cheese dishes are often offered as a substitute for meat. Cheese is also included with the important calcium and phosphorus foods which we need for bones and teeth. Furthermore cheese is a source of Vitamin A and Vitamin G (B2) known as riboflavin.

Importance of Calcium

At a Red Cross Nutrition class recently, the women were horrified to discover that most of them were not getting enough calcium into their diets. Here's where such cheese, egg and milk dishes as this Cheese Souffle help.

CHEESE SOUFFLE

4 tbsp. butter 1 cup American cheese (grated)
4 tbsp. all purpose flour 3 eggs
½ tsp. salt ¼ tsp. cream of tartar
1 cup milk

Melt butter in saucepan, blend in the flour and salt, remove from heat, and add the milk. Return to the heat, and cook until thick (about 5 minutes), stirring constantly. Blend in the grated cheese, and stir until cheese is melted. Remove from heat.

Beat egg whites until frothy, add cream of tartar, and continue beating until egg whites are stiff enough to hold a point. With the same beater, beat egg yolks until thick and lemon-colored, and slowly stir them into the cheese mixture. Fold cheese mixture into the stiffly beaten egg whites. Pour into a well-greased 1½ qts. casserole (8 inch in diameter), and set the dish in a pan of hot water (having water reach well up on dish). Bake 50 to 60 minutes in a moderate oven, 350° F. The souffle will puff up and become golden brown on top. When done it is set so that a silver knife, thrust into the center comes out clean. Serve immediately—preferably with a Cream Sauce to which have been added sautéed mushrooms, shrimps, cut-up green or ripe olives or chopped chives.

To Add a Piquant Flavor

About ½ tsp. of mustard or Worcestershire Sauce adds a slightly biting flavor which gives the dish added personality and character.

Quick Cheese Sandwiches for Lunch or Supper

OPEN CHEESE AND BACON SANDWICHES

2 eggs Few grains cayenne pepper
2 cups grated or finely chopped 5 or 6 thin slices bread
cheese (about ½ lb.) 5 or 6 thin slices of bacon
1 tsp. Worcestershire Sauce (about ½ lb.)
¼ tsp. Paprika

Beat eggs well. Stir in the cheese, Worcestershire Sauce, salt, paprika and cayenne pepper. Toast slices of bread on 1 side. Remove from toaster or broiler. Spread untoasted side of each slice with the cheese mixture. Cut slices of bacon the length of the bread slice and lay 2 strips on top of the cheese mixture on each slice of bread. Broil about 8 to 10 minutes or toast in a very hot oven, 500° F. until bacon is crisp and cheese is melted.

TOASTED CHEESE SANDWICHES

Place thin slices of cheese between 2 thin slices of bread—having cheese reach way to edges. Sauté sandwich in butter in heavy frying pan until golden brown—first on one side, then on the other (having pan hot, but cooking the sandwich slowly) or toast under the broiler until golden brown on each side.

Unanchored grain
bins may go with
the spring winds

Because waste of metal and storage facilities can not be afforded in wartime, hundreds of empty bins from which grain has been recently removed need to be anchored securely and protected against spring windstorms.

Bins more than 10 feet in diameter, especially if made of light-gauge metal, must be braced inside when empty to withstand wind pressure, and be firmly anchored to prevent shifting, according to R. C. Hay, extension agricultural engineer of the University of Illinois College of Agriculture. Bolting empty bins to the foundation does not provide sufficient protection.

Hay explains that bins may be tied from three directions with guy wires attached well above the upper half of bins of ordinary height. Each wire may be secured to a 2 by 4 bolted to the side of the bin with extra-large washers under bolt heads and nuts.

When two or more bins are close together, they may be braced and tied together for extra support, Hay explained.

Cankervorm will
be destructive
unless sprayed

The only way now to control cankerworms expected to cause considerable damage to shade trees in the northern three-fourths of Illinois, is to spray the infested trees when the leaves are about half an inch wide.

W. P. Flint, entomologist of the University of Illinois College of Agriculture and Illinois State Natural History Survey, recommends a spray consisting of lead arsenate at the rate of 3 or 4 pounds to 100 gallons of water, with 4 ounces of soybean flour or eight ounces of ordinary flour added as a sticker.

For the past five to seven years, cankerworms have defoliated many elm, honeylocust, hackberry and other shade trees, Flint said. They have also stripped all of the leaves from many farm orchards which have not been sprayed.

Starting about the first of February, cankerworm moths began moving from the ground up the trunks of trees in central Illinois, and laying their eggs for the spring brood.

AMA is important
factor in market
of farm products

Enough farm products to furnish each person in this country with 30 pounds were delivered by the Agricultural Marketing Administration for shipment to allied countries from April 29, 1941 to March 1, 1942.

The 2,000,000 tons of products purchased for this purpose exerted an important influence on the market for farm products produced in Illinois and other important food-producing states of the midwest, according to L. J. Norton, chief in agricultural marketing at the University of Illinois College of Agriculture.

Because of the shortage of shipping space, emphasis shifted early in 1942 to the more concentrated products such as meat, lard, dried eggs and dried skim milk. Evidence of this is that the average cost of all products delivered for shipment last February was 16.5 cents a pound as compared with 11.3 cents in January.

Purchases of these products are principally affecting the markets of Illinois farmers for pork, dairy and poultry products, Norton explained. It is currently reported that increased interest is being placed on purchases of dried skim milk and eggs and that the AMA will buy 40 per cent of the federally inspected slaughter of pork and 60 per cent of the inspected lard during the next few weeks.

During the period from April 29, 1941, to March 1, 1942, the AMA delivered for shipment 194 million pounds of cured meat, 189 million pounds of canned meat, 297 million pounds of lard, 572 million pounds of evaporated milk, 141 million pounds of cheese, 36 million pounds of dried skim milk, 26 million dozen eggs, 52 million pounds of frozen eggs, 37 million pounds of dried eggs, 98 million pounds of canned tomatoes, 135 million pounds of dried prunes, 100 million pounds of dried raisins, 187 million pounds of dried beans and 68 million pounds of baked beans.

Sound Travels

Sound travels through hot summer air at 1,266 feet a second. In zero weather through dry air sound speeds at 1,093 to 1,150 feet a second.

Billions of Once

Less than 40 billions of an ounce of bismuth can be measured in biological material with the aid of a new chemical process.

"All I know is what I read in the papers," said Will Rogers, and the same is generally true of everyone. Test your amount of absorptive reading by placing a mark in the space provided beside today's Guess Again questions, and checking below for the correct answers and your rating.

(1) Andante is a term associated with: (a) athletics; (b) painting; (c) architecture; (d) music.

(2) If someone handed you a demi-tasse you would have in your hand: (a) coffee; (b) paint; (c) a picture of a nude; (d) half a yard of cloth.

(3) This prize winning animal is (a) white-faced Hereford; (b) polled short-horn; (c) Aberdeen-Angus; (d) Holstein?

(4) The Bubonic plague was caused by: (a) mosquitoes; (b) rats; (c) bite of a dog; (d) cats.

(5) Hitler's party is called: (a) Independent Socialists; (b) Communists; (c) National Socialists; (d) Social Democrats.

(6) The Monroe doctrine expounds the policy of: (a) imperialism; (b) laissez-faire; (c) non-intervention; (d) capitalism.

(7) A jerkin is: (a) a comedian; (b) a jacket; (c) a South American animal; (d) a fried fish.

ANSWERS AND YOUR RATING WILL BE FOUND ON THE CLASSIFIED PAGE.

Clothes can be
gay in spite of
wartime rules

"Gone-with-the-draft" might be the appropriate way to speak of the disappearance of familiar clothing styles such as cuffs and lapels on men's suits, notch pockets, bouffant skirts and oversized sleeves on women's apparel.

But gay clothes can be had at small cost, is the cheering message from Miss Barbara Borhek, instructor in home economics at the University of Illinois College of Agriculture.

Since sleeves are to be restricted in number of inches, then one can add a bit of dash by using material with large flowers in sleeves in a dark evening dress, or green and white stripes for sleeves with white linen, says Miss Borhek.

For prints the solution is a combination with plain material. For example, a skirt may be printed with a plain bodice, or a printed jerkin may stand out against a plain dress. The waist front could be a gay print or even a contrasting plain material. Some of these ideas could be used to remodel last year's clothes.

"If sleeves of a suit are worn out at the elbow, it might be interesting to convert them to more capped sleeves and change the jacket to a bolero. Then one wears a brightly printed blouse with long sleeves under it. New yokes are also good to make chameleons of an old dress," she added.

Perhaps last year's coat is a bit worn on the edges of the lapels and down the front. For that, Miss Borhek suggests that the edges be bound in a ribbon of subtle color. Hat and gloves could match the ribbon.

A surprising and delightful array of jewelry in china, leather, cork, bone, shells, straw and wood will replace the white metal which is the foundation of so much of the jewelry today. These will do much to give an inexpensive gay touch to otherwise subdued wartime outfits.

Iris Transplanting

Iris may be transplanted as early as August or on into September. It is good policy to set out a few new ones each season so as always to have some prime. If the bed is infected with soft rot of the roots, it is a good plan to disinfect the roots after removal of diseased parts, by washing them in a 1 to 1,000 corrosive sublimate solution before transplanting to new soil. Corrosive sublimate, being corrosive to metal, is handled in wooden or crockery containers and, being a deadly poison, is handled with great care.

CORN VARIETIES
exactly suited for
YOUR FARM

A hybrid that fits the soil and season in one part of the state may be entirely unsuited for this locality. That's why farmers need a wide selection of varieties... why DeKalb research has created 59 varieties and continues to build still more. Several among these 59 have been bred to perform in climate and soil just like your own. What's more, these varieties have been tested and proved on DeKalb proving grounds right in this community. There's no need now to experiment with untested, untried hybrids. Choose one of DeKalb's fine adapted varieties this spring.

Fertilizer Profits Low

A ten-year average profit of the fertilizer industry as reported by the Bureau of Internal Revenue shows a return of only one and five one-hundredths cents on a dollar of sales while 32,000 farmers in a recent survey reported a return of \$3.00 in increased yields for each dollar spent on fertilizer.

In the last ten years for which figures are available 1929-1938—total fertilizer profits amounted to one and five hundredths cents for each dollar of sales, or 94 cents on each ton of \$26 fertilizer sold. Figures just released by the Commissioner of Internal Revenue on corporation income tax returns for industries for 1938 shows returns for 374 fertilizer manufacturers. Of this number 161 or 43 per cent reported deficits. The average return for 1938 was 3.6 per cent. The S.E.C. reports returns of 16 large chemical companies not engaged in fertilizer manufacture showed a return of 20.5 per cent.

RIGHT FERTILIZER APPLICATION METHODS BOOSTS CROP YIELDS

Just as a good cook can take the same raw food as a poor cook and make it go farther and taste better by using the right utensils and proper methods of preparation, so can a careful farmer make the same amount of plant food in the soil taste better to the plants and bring a higher return in increased yield by proper application.

Side Application Pays

"Although good results are obtained from fertilizer used in customary ways, recent experiments show that better yields can be obtained from the same amount of fertilizer by improved methods of application," says H. R. Smalley, Director of Soil Improvement Work of the National Fertilizer Association.

For example, recommendations made from experiments conducted in Ohio indicate that side application of fertilizer for corn is very effective when properly done. And oftentimes more fertilizer can be used at a profit when it is properly applied. Without fertilizer a poor yield was obtained and half of that was soft corn and nubbins. The plot fertilized with an old-type method of application produced twice as much sound, marketable corn as the unfertilized plot. But when the same amount of fertilizer was applied in two bands with the new-type planter the yield was 6 to 8 bushels more per acre than from the old-type.

On Saturday prep track and field athletes throughout the state will be competing in district meets for the chance to go to Champaign to the state meet the following week-end. Winners of first and second in each event are eligible to compete for the state championship as well as those who are able to meet the standard marks which the state authorities have set up. In the running events the standards are 4:45 in the mile, 2:05 in the half, and :53.4 in the quarter.

Morici is Cardinal hope

Arlington's best bet to go to the state is Morici in the discus throw. The standard in the event is 135 feet. Morici threw the disc 131 feet at the Palatine relays and with a similar mark should be first or second in the Evanston district. Barrington has two state meet possibilities in Tom English in the half mile and Burnell Wollar in the broad jump.

Palatine's hope in the district is Timmerhaus

Klaus has never run the mile in 4:45 but has been around 4:50 most of the season and should make better time on the fast Evanston track against such good milers at Wood of New Trier, Johnston of Niles, Dotts of Maine and Zerner of Libertyville. Don Field has been running the half on equal terms with English of Barrington and with a good day and in top form might get close to the qualifying time.

Palatine's hope in the district is Timmerhaus

Score four runs in seventh after two out

Scoring four runs after two were out in the final inning the league leading Cardinals came from behind to win from Leyden 7 to 4 last Wednesday at Franklin Park. Royce McWharther singled with two strikes on him to drive in two runs and snatch victory from defeat.

When Bill Griffith and Larry Hodges opened the game with singles and Len Johnson followed with a home run the Cards seemed on the road to an easy victory. Sophomore pitcher Schmitt tightened, however. Thomas struck out the next two men. Ted Decker survived on a pair of errors by the shortstop and was out at the plate as Leyden finished up a flurry of wild throwing by a perfect heave to the catcher. The Cardinals didn't get another hit until the fifth when Millay singled with one out.

Third baseman Thomas of the Eagles blasted one of Jim Crawford's offerings for a triple to open Leyden's half of the first inning. After a strikeout he scored when Lofgren's hot grounder went through Peeters for an error. In the second inning Jagade, sophomore catcher from Leyden started things off with another triple. He came home on Mix's slow roller to the pitcher.

Thomas survived on Griffith's error to open the third and scored when Crawford fumbled Nelson's easy tap.

Then in the fourth inning the Cardinals finally held the Eagles scoreless but in the fifth the Leyden outfit went into the lead. Schmitt punched a hit down the right field foul line. He went to third when Peeters, now playing shortstop, fumbled Thomas' easy grounder and scored when Kleiner played Navratil's sharp grounder to first base rather than to the plate. The Eagles threatened again in the sixth with one out when Jagade drove a long hit to left and made what seemed to be a foolish try for third but got the decision. Crawford got Mix on a foul ball of third and struck out Neuberger to end the threat.

The Cardinals finally came out of their trance in the sixth after two were out. Decker got a bargain hit when his pop fly dropped near first base as the Leyden infield couldn't decide who should make the catch. Winkelmann, pinch-hitting, singled on the first pitch. Harting walked to load the bases. Schmitt bled down with everything he had and got Crawford on strike to end the inning still ahead by one run.

When the Cards came to bat in the seventh and final inning they needed one run to tie. Millay walked. With the pitcher weakened by the Cardinals declined to sacrifice. Hodges hit a line single in front of the right fielder and Millay held up at second. Johnson's grounder was knocked down by the pitcher and the runners moved up as he was thrown out. Peeters hit to the pitcher who held the runners on their bases and then threw him out. McWharther had a count of one ball and two strikes on him when he drove a sharp grounder through short, which the shortstop, Nelson, was able to touch, but not to hold. Both runners scored on the hit. Two more runs came in before Leyden settled down again. Crawford got the Eagles in order in their half of the seventh.

Both teams played in and out ball and the breaks had much to do with the outcome. The Eagles will be at Arlington on Thursday, May 14, for a return engagement.

Libertyville 2nd in Lake county meet

Table of Points
Highland Park 65
Libertyville 39
Lake Forest 35
Waukegan 30

Highland Park won their 14th straight Lake county track and field meet at Waukegan Tuesday when they scored 68 1/2 points to almost double the count on Libertyville and Lake Forest their chief competitors. Highland Park may be a weak team in the big suburban league in track, but they still have things their own way in Lake county. Last week Maine township beat the Parkers by a 50 point margin.

Zerner of Libertyville was the only double winner, taking the mile in 4:48.9 and the 880 in 2:11.5. Wollar of Barrington won the broad jump with a leap of 20 feet 7 3/4 inches. Other Barrington points were scored by English with a tie for third in the pole vault, and three relay places including fifths in the varsity and frosh-soph events and a second in the freshman relay.

Antioch scored seven points on a second by Sterbenz in the discus and a third by the same boy in the shot put. Lake Forest won the 880 yard in 1:37.4. Hoskins won the high hurdles in 16 seconds flat and McCormick, also of Libertyville, captured the 100 in 1.4 seconds. Rasmussen of Warren, a transfer last fall from Libertyville, was the only Gurnee entry and took second in the pole vault.

No records were broken in the meet due partly to the cold weather.

JEEPTOONS By Fighting Men

Men of the fighting services are adept with pen and brush, as proven in art groups in USO clubs. USO presents examples of their work in a series of "Jeptoons."

Palatine scores four points at Proviso relays

Bisons run into hard luck

Five records were broken as Oak Park and Urbana won the "A" and "B" divisions of the fifth annual Proviso Relays last Friday night. Urbana broke the two mile relay mark in open class with a sensational mark of 8:21.6 as their four runners averaged under 2:05 for their half mile sections of the relay. Oak Park broke the shuttle relay record and also the 440 yard relay. They ran the latter event in :43.8. In class "B" relays the mile event was broken by Hinsdale.

In "A" class Oak Park had 58 points, Evanston 52 1/2, and York was third with 27. In class "B" Urbana had 27, Wheaton 21, Naperville 20 1/2, Hinsdale 18 1/2, Glenbard 8 1/2, Libertyville 8, Crystal Lake 8, Lake Forest 8, Downers Grove 6, Palatine 4, Barrington 2, Riverside 2. There were altogether 30 schools in the meet with 15 in each class.

Libertyville was the only school from the local conferences to win a relay trophy at Proviso Friday night. The Wildcats ran the medley in 3:50.5 to take second place in the event and give them eight points. Crystal Lake got eight points also as Behan won the discus throw with a mark of 147 feet 9 1/2 inches. Nagel took fifth in the mile run, and the Lakers took fifth in the 880 yard relay. Lake Forest took fourth in the medley relay and the 880 yard relay to gain a total of eight points.

Red Wings win opener

The Arlington Red Wings opened their 1942 baseball season by defeating the colored All Stars by a score of 6-4 at Recreation Park before a small crowd which was kept away by inclement weather.

It looked like the local boys were in for a good beating in the first inning when the All Stars put over four runs, but the Red Wings settled down and from the second inning on the All Stars were held in check by the superb pitching of Geo. Schaefer and the all around support of the entire team.

Next Sunday the Parkview Florals will be our opponents. It should be a good game. There are still a few passes left and the management is again making a plea to the loyal supporters to get a season pass from one of the ball players. Some of our fans expect too much from the boys in their first time out. If you noticed any erratic playing or base running, please forgive the boys for they will do better as they go along.

All Stars Score 400 000 000 4
Red Wings 003 000 30 6
All Stars: Williams - Doney.
Red Wings: Schaefer - Schiewe, Clark.

The record by more than two seconds with Glenbard also running below the former mark. Naperville nosed Palatine out of third. Palatine's quartet of Field, Cipri, Scholow, and Warder averaged 55.3 seconds for each of their quarters which is very good time. In fact the "A" class mile relay was run so much slower than the "B" that Palatine's fourth place time was better than the third in the big school class. Warder ran his quarter in :54.5 and Field also was clocked under 55 seconds. Palatine was seventh and out of the points in the 880 yard relay, running it in 1:38.7, their best time this season with Scholow, Dinse, Muehlfelt, and Warder the four runners.

Bensenville did not score this year, but ran into a mess of hard luck. Kiefer, ace sprinter, was not available for their 880 relay and that made the difference between sixth and either first or second. Then in the medley the pass from Bornaack to Audas was dropped and the Bisons were out of the running in that event. Barrington got a fifth in the medley relay with a mark of 3:57.

Timmerhaus, still feeling the effects of an attack of measles the previous week, did not win a place in the Proviso mile. About 30 boys were in the race and the Palatine runner, never a fast starter, was boxed in at the beginning and before he could work his way out to normal pace was so far behind that he could not overtake the leaders. He finished seventh in 4:50.8.

In Ninth Year
"The Drunkard," a dramatic play, is now in its ninth year in Los Angeles.

Cards win again; top Warren, 3-1

Two runs in the first inning and another in the third gave Arlington's Cardinals their margin of victory Monday as they downed Warren's defending champs 3-1. Timely hitting and a tight defensive game earned the victory. Jim Crawford kept the Blue Devil hits well scattered and mixed nine strike-outs among them to take the punch out of the Warren attack.

The Cards got enough runs to win in the first inning when Hodges survived on an error with one gone and Johnson lined a single into center field. They moved upon a wild pitch by Bratzke but Winkelmann fouled to Zelenko back of third base. Royce McWharther delivered in the clutch in the second straight game, this time with a single which drove in both runners.

With two out in the third inning Johnson was hit by a pitched ball. He promptly stole second. When Winkelmann drove a hard grounder to short, Zelenko let it get through him and Johnson came home. The Cards threatened again in the fifth but McWharther's hard drive was directly at Zelenko who threw him out.

Crawford retired the entire Warren team in order in the first three innings. A hit by the lead-off man in the fourth broke his string of perfect innings, but it was followed by a pair of harmless infield taps and a strike-out. In the fifth two hits after two were out, scored a run. Rasmussen singled and Anthony drove him home with a double.

The Cardinals led 3-1 going into the seventh. Bratzke fled to left-center and was safe on a single when the ball was not played by anyone. Murrie hit the easiest kind of a double-play ball to Millay at second. His toss to Peeters was dropped and both runners were safe with no one out. Unruffled, Crawford shot third strikes past two Warren batters and got the final out on an easy tap to Freitag at first base.

Bratzke and Crawford were both excellent pitchers. The victory went to the one who had the better support. This was Warren's third defeat and Arlington's third victory in conference baseball this season.

Pirates enter nine boys in district meet

Palatine will enter the largest squad of boys in years at the Evanston District track meet Saturday when nine Pirates will compete. Palatine's chances of scoring many points is pretty slim considering the competition but the boys will be in there trying.

The entries call for Timmerhaus and either C. Vogt or Langhoff running the mile. Field competing in the 440, Muehlfelt in the 220, Hodges throwing the discus, and Guenther and Jones hurdling. Palatine's best chances of scoring points will be in the mile, 880, and 440, and they will be hard to get even there. Scholow, Jones, Warder, and Muehlfelt will run in the 880 yard relay.

Schools in the Evanston District are Evanston, New Trier, Waukegan, Highland Park, Maine, Lake Forest, Libertyville, Niles, Arlington, Barrington, and Palatine. Evanston is the favorite to win the meet.

Two-base hit: J. Anthony.
Umpire: Taylor.

Pirate frosh score Saturday

Palatine's pair of outstanding freshman runners scored well in the North Shore Invitational Frosh-Soph Meet at Evanston Saturday morning. Bob Muehlfelt won first in the 220-yard dash making a fine mark of 23.2 seconds. Clarence Vogt ran the 660-yard event in 1:33.2 for a second place.

Waukegan and Evanston dominated the meet. New Trier and Highland Park furnished the only other entries.

More Men Than Women
Statistics disclose that there are about 1,500,000 more men than women in the United States.

Joseph B. White, Jr. of Itasca, one of the district's better golfers, fired a sensational 77 over White Pine's south course last Sunday despite a high wind that at times reached gale-like proportions. "Jody," as he is better known to his friends, went out in 41 and home in 36. This tall, slim links ace, a Bensenville product, toured the difficult Inverness layout recently in 78. . . The Buick plant's golf league got off to a birdie start Tuesday evening at Mohawk, twenty-four teams of four players each competing. The women's division with twelve teams will start play May 18. . . Donald Welflin of Wheeling, one of the low scorers in last year's Paddock Publications Amateur Golf Tournament, is serving his country in the armed forces. . . Jack Sperling, manager of Bon-Air Country Club, is a former professional boxer. Jack was Western Electric's boxing instructor for a number of years. . . John Kirby, Bensenville high school's golf coach, does not have to take a back seat for any member of his team. Kirby's low 1941 card was a 75 at Old Orchard. . . Ray Franzen, president of the Itasca State Bank, is a seasonal-time holder of the Itasca Country Club championship. The youthful, athletic banker was a star catcher on Amherst's nine. . . Rob Roy Country Club will play host to the Des Plaines twilight league this year. Fourteen teams will start to fire away for defense bonds and stamps this Thursday. Johnny Alonge is the league's president. . . The Mt. Prospect League, with a membership of eighty players, announces that it will have twelve teams in competition. The season will last 18 weeks, May 6 to September 2. . . Mrs. Dibble will head the Mt. Prospect ladies league.

Arlington Heights Golf League to open play Thursday, May 7. A few more players needed.

Cafe Au Lait
Cafe au lait consists of hot milk and strong coffee in about equal proportions.
